THE CROWN SAYS **KING** ... IT'S KING

USDA Reg. No. 7263-1

**WHITENS • REMOVES STAINS • SANITIZES
DEODORIZES**

| USE FOR: | AMOUNT | DIRECTIONS |
|--|--|---|
| LAUNDERING (Machine or Hand) Safe for color fast cottons and linens. | Use 1 cup King Bleach for agitator and wringer washers, tumbler type washers need only ½ cup. | For Machine Washing add King Bleach to water before inserting laundry. Follow washer directions. For Hand Washing add to water and mix before laundering. |
| STAIN REMOVAL Safe for removing stubborn stains: blood, fruit, medi- cines, ink, scorch, mildew, coffee, tea, beverages, grass, etc. | Use 2 tablespoons to a quart of cold water, ½ cup to a gallon. Mix well. | Soak fabric for 5 to 10 minutes or longer if necessary. Rinse well. |
| DISINFECTANT, DEODORIZER Unex- celled for Bathroom, Kitchen, Nurs- ery, Garbage Cans, Utensils, porce- lain, plastic, rubber, medical and sick room appliances. | Use 3 tablespoons to one quart of warm water. DO NOT USE ON SILVERWARE. | Wash for about 5 minutes with proper solution of King Bleach. For table and cooking wear, rinse well. |
| BABY DIAPERS & CLOTHES For stain removal, deodorizing, sanitiz- ing and laundering. | Use 1 tablespoon for each gallon of water to pre-soak diapers. For wash- ing, same as for regular clothes. | Flush out diapers before soaking. Rinse well. |
| TO WHITEN YELLOWED NYLON AND SYNTHETICS | Use ¼ cup Bleach and 1 teaspoon vinegar to 1 gallon of warm water. | Immerse 15 to 30 minutes—rinse thoroughly. Repeat if necessary. |
