CROWN HORSE & STABLE SPRAY is prepared for use on Horses, in and around buildings and outdoor areas. Application may be mist, spray or wipe-on.

WIPE-ON APPLICATION: Wet a soft cloth and wipe over hair paying special attention to legs, shoulders, shanks and fecal areas.

HORSES: Flies, (Horn, House and Stable), Mosquitoes. Apply 2 fluid oz. daily per adult horse and 1 oz. daily for younger animals. For best results apply in the morning for protection during the day. Do not overdose.

STABLES & KENNELS: Flies, Gnats, Mosquitoes, Fleas, Brown Dog Ticks apply a coarse spray to runways, walls, window sills and ledges using 1 quart per 100 sq. ft. Do not contaminate water or feed. Repeat as necessary. This spray can be used in thermal foggers and mist sprayers.

MAGGOT BREEDING AREAS, GARBAGE DUMPS AND MANURE PILES: Apply a coarse spray at the rate of $\frac{1}{2}$ to 1 qt. per 100 sq. ft. of area. Repeat as necessary.

CAUTION

Avoid wetting the hides of animals. Harmful if swallowed or absorbed through the skin. Do not get in eyes, on skin or on clothing. Wash thoroughly after handling. Do not breathe spray mist.

KEEP OUT OF REACH OF CHILDREN

Do not contaminate feed, water or foodstuffs. Do not contaminate feed handling equipment. Do not use or store near heat or flame.

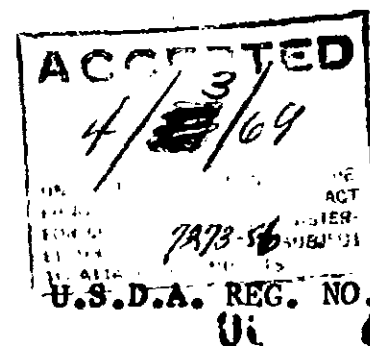

NOTICE

Use of this product not being under our control, we make no warranty expressed or implied as to its use or misuse regarding its effectiveness.

KEEP COVER TIGHTLY CLOSED WHEN NOT IN USE.

CRAWLING HOUSEHOLD INSECTS

To control Roaches, Waterbugs, Silverfish, Ants, Spiders:

When possible use spray directly on insects. Spray insects' hiding places under sinks, under stoves, in crevices, in cracks, around doorsills, pipes, window frames, storage areas, refuse areas, etc. For ants, spray ant trails.

FLYING HOUSEHOLD INSECTS

To control Mosquitoes, Flies & Gnats:

Close doors and windows of room and remove pets, birds, and fish. Then proceed to spray all parts of room with sweeping circular motions. Keep room closed 15 minutes after spraying.

Do not contaminate food, dishes and cooking utensils.

CLOTHES MOTHS, AND CARPET BEETLES

Woolens must be cleaned thoroughly before using this spray. Spray garment thoroughly from a distance of two feet. Do not overlook folds and seams when spraying. Unless garments are stored in a mothproof container, monthly applications are necessary. Interior surfaces of storage closets and trunks should be thoroughly sprayed.

3 HERE ARE THE RESULTS YOU MAY EXPECT!

ferti-lome HOME & GARDEN INSECT SPRAY aids in control of certain creeping and crawling insects. You can control insects without messy mixing and painting on of insecticides.

CAUTION: Contents under pressure. Keep out of reach of children. Do not puncture. Exposure to high temperature may cause bursting. Keep at room temperature. Keep away from direct sunlight, radiators, stoves, hot water and other heat. Never throw container into fire or incinerator. Do not use near heat or open flame. Do not store above 120°F

Remove pets, birds, and fish bowls before spraying rooms.

ON-WARRANTY: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
