

[7405-9]

USDA Reg. No. 7405-9

DIRECTIONS

Remove protective cap. Hold dispense, upright. Point valve toward surface to be sprayed. Press the button to release the spray.

To repel such insects as mosquitoes, biting flies, sand flies, gnats, chiggers (or Red Bugs), ticks, spray on exposed skin and clothing where insects are biting through. Spray from a distance of 6 inches or more, making sure to spray cuffs of trousers, socks, and other openings in clothing. Repeat when needed.

To apply to face, spray a small amount on hand and spread on face avoiding eyes and mouth.

Active Ingredients: 2-Ethyl hexanediol-1,3	20.00%
Inert Ingredients:	80.00%

CAUTION

Contents under pressure. Do not puncture. Exposure to high temperature may cause bursting. Keep at room temperatures—away from direct sunlight, radiators, stoves, hot water and other heat. Never throw container into fire or incinerator. Do not spray on feed or foodstuffs. Keep out of reach of children.
