SIDE PANEL

DIRECTIONS FOR USAGE:

FOR CONTROL OF ROACHES, ANTS, WATER BUGS, CRICKETS, SILVER FISH,  
and certain other insects. Spray a heavy residual coating into  
hiding places, crevices, and behind and under all objects, and  
directly on all insects seen. Respray once per week for the  
first 4 weeks, then once every month or as often as necessary.

"KILL" Roach & Ant Bomb has been specifically manufactured to kill  
roaches, ants, water bugs and certain other types of crawling in-  
sects when used as directed or your money back.

CAUTION: Harmful if swallowed. Avoid prolonged breathing of dust  
or spray mist. Avoid prolonged or repeated contact with skin; wash  
thoroughly after using. Avoid contamination of feed and foodstuffs.  
Keep out of reach of children.

DANGER - FLAMMABLE - PETROLEUM DISTILLATES - DO NOT USE NEAR FIRE  
OR FLAME. Do not store on radiators, stoves, or any place where  
temperature will exceed 130° F. Do not puncture container or  
throw into fire.
