**RE: EPA Reg. No. 7313-6, Clear Wood Preservative, Addition of Alternate Brand Name**

Dear Mr. Swindell:

Per PR Notice 98-10, this is a notification to EPA that PPG is adding the alternate brand name of **Weatherscreen Clear Wood Preservative** under the Olympic Clear Wood Preservative, EPA Reg. No. 7313-6. Attached are a completed EPA Form 8570-1, Application for Pesticide Amendment, and a copy of the label for your review.

This notification is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

If you have any questions, please call.

Very truly yours,

Donna L. Butler

## LIMITED WARRANTY

PPG Architectural Finishes, Inc. warrants your satisfaction with the application, appearance and performance properties of this product if it is properly applied to a properly prepared surface in accordance with label directions. PPG ARCHITECTURAL FINISHES, INC. MAKES NO OTHER EXPRESS WARRANTIES. IN THE EVENT THE PRODUCT FAILS TO CONFORM TO THIS WARRANTY, PPG ARCHITECTURAL FINISHES, INC., AS ITS SOLE LIABILITY AND IN LIEU OF ANY DIRECT OR INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES, WILL, AT YOUR OPTION, FURNISH REPLACEMENT PRODUCT OR REFUND THE PURCHASE PRICE — LABOR OR COSTS OF LABOR FOR THE APPLICATION OF ANY PRODUCT SPECIFICALLY ARE EXCLUDED. You must supply proof of purchase. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. To make a claim under this warranty contact the store where you purchased the product or: PPG Architectural Finishes, Inc., One PPG Place, Pittsburgh, PA 15272.

## PRECAUTIONARY STATEMENTS — HAZARDS TO HUMANS AND DOMESTIC ANIMALS WARNING!

Causes substantial, but temporary, eye injury. May cause an allergic skin reaction. Harmful if swallowed or inhaled. Do not get in eyes, on skin, or on clothing. Avoid breathing dust or liquid aerosols. Wear goggles or face shield when handling. Wash thoroughly with soap and water after handling. Remove contaminated clothing and separately launder clothing before reuse.

**ENVIRONMENTAL HAZARDS:** This pesticide is highly toxic to fish. For terrestrial uses, do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters.

**PHYSICAL/CHEMICAL HAZARDS:** Combustible. Keep away from heat, sparks or flame. Use with forced ventilation. Do not smoke internally. Close container after each use. Combustible materials contaminated with overspray or liquid residues of this product may undergo spontaneous combustion. To minimize the potential for spontaneous combustion, soak contaminated materials with water or place them in a closed metal container away from buildings and other combustible materials.

**IMPORTANT:** Spray equipment must be handled with due care and in accordance with manufacturer's recommendations. Spraying of any material can be hazardous. Wear respirator, eye protection, and protective clothing.

### STATEMENT OF PRACTICAL TREATMENT

**IF IN EYES:** Flush eyes with plenty of water. Call a physician. **IF SWALLOWED:** Promptly drink a large quantity of milk, egg whites, gelatin solution, or, if these are not available, drink large quantities of water. Do not drink alcohol. Call a physician immediately. **IF ON SKIN:** Wash with plenty of soap and water. Get medical attention if irritation persists. **IF INHALED:** Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention. For Emergency Medical and Spill Control Information, (412) 434-4515.

## WEATHERSCREEN™ Clear Wood Preservative

*Provides a clear finish to protect the natural beauty of your wood while allowing it to weather gray naturally.  
Premium penetrating Linseed Oil and a wood preservative protects your wood from rot and decay.*

### DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling. Apply this product only as specified on this label. Wear goggles or face shield when handling. Remove contaminated clothing and separately launder clothing before reuse. Wash thoroughly with soap and water after handling.

WEATHERSCREEN Clear Wood Preservative is a penetrating linseed oil base, water repellent wood preservative. It gives wood protection from rot, decay, mildew, ultra violet light, and moisture damage. Recommended only for EXTERIOR above ground use, it also adds these protective qualities when used under finish coats, resulting in longer life for the wood and the finish. It may also be used on pressure treated wood to protect the wood from water damage, mildew and deterioration due to ultra violet sunlight. It exceeds the Federal specification for water repellency, TT-W-572B, paragraph 3.7.

WEATHERSCREEN Clear Wood Preservative is recommended on exterior bare wood surfaces which may be exposed to attack by wood rot, mildew or excess moisture. Use on structural lumber, beams, timbers, sills, millwork and roofs. To maintain wood preservation properties, reapplications are recommended every 2 to 4 years. When used prior to painting or staining, allow to dry thoroughly (at least 24 to 48 hours) before applying WEATHERSCREEN Stain. Applications of oil base top coats may result in a higher gloss in some areas which will normally become more uniform with weathering.

Surfaces treated with WEATHERSCREEN Clear Wood Preservative will be protected from moisture damage, mildew and rot, but will "weather" naturally. Depending on the exposure and the type of wood, this weathering will include a gradual graying. To protect and beautify with color, use one of WEATHERSCREEN Semi-Transparent or Solid Color Stains. For severe exposure to wood rot, "pressure treated wood" offers maximum protection.

### PREPARATION

**SURFACE PREPARATION:** Proper surface preparation is essential for PPG Architectural Finishes, Inc.'s limited warranty to apply. Surfaces must be clean, dry and free of mildew. Rinse thoroughly and allow to dry before application.

**MILDEW:** Remove mildew by washing with a mixture of 1 part liquid chlorine bleach to 3 parts water. Rinse thoroughly.

### APPLICATION

Mix thoroughly prior to use. May be applied with a natural bristle brush, spray or by dipping. Use only one thin coat. Thoroughly treat ends and edges of boards. DO NOT THIN.

**APPROXIMATE COVERAGE:** Depending on texture, porosity and dryness of wood: 150 to 250 square feet (13.9 to 23.2 square meters) per gallon (3.78 liters).

**TEMPERATURE RECOMMENDATIONS:** Avoid application to a hot surface in direct sunlight. Do not apply when the air, coating or surface temperature is below 50°F (10°C).

**DRYING:** WEATHERSCREEN Clear Wood Preservative will require 24 to 48 hours to dry under ideal conditions.

**CLEANUP:** Clean brushes and other tools with mineral spirits. DANGER — RAGS, STEEL WOOL OR WASTE SOAKED WITH WEATHERSCREEN CLEAR WOOD PRESERVATIVE MAY SPONTANEOUSLY CATCH FIRE IF IMPROPERLY DISCARDED. IMMEDIATELY AFTER EACH USE, PLACE RAGS, STEEL WOOL OR WASTE IN A SEALED WATER-FILLED METAL CONTAINER. Place closed metal container away from buildings and other combustible materials.

**EXTRACTIVE BLEEDING:** Some woods contain water-soluble colorings or extractives that tend to "bleed" to the surface. This bleeding may be unsightly but is not damaging to the finish. If it has occurred, allow the coating to dry, then wash with a mild detergent solution and rinse with clear water. For stubborn stains, a second solution of 50% alcohol and 50% water may be necessary.

**STORAGE AND DISPOSAL:** Securely wrap original container in several layers of newspaper and discard in trash. Do not reuse container. Rinse thoroughly before discarding in trash.

**NOTICE:** THIS PRODUCT CONTAINS CHEMICAL(S) KNOWN TO THE STATE OF CALIFORNIA TO CAUSE CANCER AND/OR BIRTH DEFECTS OR OTHER REPRODUCTIVE HARM.

Calc. VOC = 548 g/L (4.57 lbs/gal).
