ACCEPTED	
JUL 8 1998	
<small>Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 7319-6</small>	

USE DIRECTIONS AND PRECAUTIONARY STATEMENTS

Directions for Use: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not use any form of methomyl fly bait product around or inside homes, or any other place where children are likely to be present.

Use **LURECTRON® SCATTERBAIT** pellets around the following commercial areas only: commercial poultry houses, livestock barns, and feed lots, canneries, beverage producers, meat, poultry and food processing plants. Scatterbait pellets may also be used on walkways in caged layer houses.

For use as a Scatterbait: Scatter pellets at the rate of approximately ¼ pound of pellets per 500 ft², maintaining a spacing of 1-2 inches between pellets. Do not leave pellets in piles.

For use as a paste: Mix ¼ lb of **LURECTRON® SCATTERBAIT** with 4.0 oz water, stir well and keep covered for a few hours. Apply paste with a brush on walls, window sills, support beams where flies usually land, such that poultry, cattle or other animals cannot come into contact with the paste.

For use in bait stations: **LURECTRON® SCATTERBAIT** pellets may be used in bait stations placed at least four [4] feet off the ground. One bait station for 500 ft² should provide control.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMAN AND DOMESTIC ANIMALS

CAUTION

Harmful if swallowed or absorbed through skin. Avoid contact with skin or clothing. Avoid breathing dust. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

Do not apply where poultry, animals, pets or children can contact the bait. Do not use in homes or where milk is processed or stored. Do not feed treated garbage. Do not use in serving areas where food is commercially prepared or processed. Do not apply in areas where poultry or other animals, especially dogs and calves can lick it.

FIRST AID

If swallowed: Call physician or Poison Control Center. Drink one or two glasses of water and induce vomiting by touching back of throat with finger. do not induce vomiting or give anything by mouth to an unconscious person.

If on skin: Wash with plenty of soap and water. Get medical attention if irritation persists.

If in eyes: Flush with plenty of water

NOTE TO PHYSICIAN: Methomyl is a cholinesterase inhibitor; atropine is antidotal.

ENVIRONMENTAL HAZARDS

This product is toxic to birds. Collect, cover or incorporate granules spilled on soil surface. Do not discharge into lakes, streams or ponds.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

PESTICIDE STORAGE: Store in a dry, cool place inaccessible to children and pets. Always keep containers closed when not in use.

PESTICIDE DISPOSAL: Do not contaminate water, food or feed by storage or disposal. If the pesticide or rinse water cannot be disposed of according to label directions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: DO NOT REUSE CONTAINER.

[Metal]: Triple rinse (or equivalent). Then puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities.

[Plastic]: Triple rinse (or equivalent). Then puncture and dispose of in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

[Fiber drum with liner]: Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Dispose of residue by use or as directed above. Dispose of the liner and drum in a sanitary landfill, or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

WARRANTY STATEMENT

Manufacturer makes no warranty, express or implied, concerning the use of this product other than as indicated on the label. Buyer assumes all risks of use, storage and handling of this material when such use and handling are contrary to label directions.
