

U.S. ENVIRONMENTAL PROTECTION AGENCY
OFFICE OF PESTICIDE PROGRAMS
REGISTRATION DIVISION (75-767)
WASHINGTON, DC 20460

EPA REGISTRATION NO.

7333-7

DATE OF ISSUANCE

JAN 11 1993

TERM OF ISSUANCE

NOTICE OF PESTICIDE: ☐ REGISTRATION
☐ REREGISTRATION
(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

NAME OF PESTICIDE PRODUCT

Microbiocide 56

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Welchem, Inc
6210 Rothway
Houston, TX 77040

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c) (7) (A) provided that you:

1. Submit/cite all data required for registration/ reregistration of your product under FIFRA section 3(c) (5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the labeling changes listed below before you release the product for shipment:

- Add the phrase "EPA Registration No. 7333-7".
- It has been noted that the address of record doesn't correspond to the address declared on the label.
- Add the heading: NET CONTENTS
- The statement: "Contains methanol" should appear in closer proximity to the ingredient statement

☐ ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL

DATE

295

- e. It is preferred that the statement: "Do not apply to marine and/or estuarine oil fields" be moved to appear directly below the heading: Environmental Hazards.
- f. Include a descriptor on the front panel which states this product is to be used in the oil field industries: for example

A Microbiocide for use in Oil Field systems such as subsurface injections waters, well completions, workover and stimulation fluids and petroleum transport and storage systems.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

John H. Le
President

John H. Lee

Enclosures

CONSEQUENCES					

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

DANGER

CORROSIVE.

CAUSES SEVERE EYE AND
SKIN DAMAGE.

METHANOL MAY CAUSE BLINDNESS.

HARMFUL OR FATAL IF SWALLOWED.

VAPOR HARMFUL

Do not get in eyes, on skin, or clothing. Avoid breathing vapor or mist. Wear chemical goggles, face shield, rubber gloves and impervious clothing when handling. Do not contaminate food. Do not take internally. Wash thoroughly with soap and water after handling. Keep away from heat, sparks and open flame. Keep container closed.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

PHYSICAL AND CHEMICAL HAZARDS

Flammable. Keep away from heat and open flame.

STORAGE AND DISPOSAL

PROHIBITIONS

In case of spill or leak eliminate all ignition sources. Observe handling instructions given to prevent eye damage and skin burns. Do not contaminate food or feed by storage, disposal or cleaning of equipment.

PESTICIDE DISPOSAL

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL

METAL CONTAINERS: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

PLASTIC CONTAINERS: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities by burning if not otherwise permitted.

STATEMENT OF PRACTICAL TREATMENT

FDISC 1

IF IN EYES:

Immediately flush eyes with plenty of water for at least 15 minutes. Then immediate medical attention.

IF ON SKIN:

Immediately wash exposed skin with soap and water. Get prompt medical attention if irritation develops. Remove contaminated clothing, including shoes, and thoroughly clean and dry before reuse.

IF SWALLOWED:

Do not induce vomiting. Drink plenty of water. Get immediate medical attention.

IF INHALED:

Move to fresh air. Get immediate medical attention.

NOTE TO PHYSICIAN:

Possible mucosal damage may contraindicate the use of gastric lavage.

SEE SIDE PANEL FOR ADDITIONAL PRECAUTIONARY STATEMENTS.
