Subject: Enhance
EPA Registration No. 7364-30
Application Date: May 13, 2009
Receipt Date: May 18, 2009

Dear Ms. Radtke:

The following amendments, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, are acceptable with the conditions listed below:

- Revision to Storage and Disposal statement per PR Notice 2007-4
- Addition of optional advisory statements
- Addition of optional marketing statements
- Addition of "Responsible Care" symbol

Conditions:

1. You must include an Environmental Hazards statement. You must add the following text beneath the "precautionary Statements" heading:

{For containers of 5 gallons or less}

Environmental Hazard: This pesticide is toxic to fish and aquatic organisms."

{For containers of 5 gallons or more}

Environmental Hazard: This product is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, ponds, streams, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or regional Office of the EPA."

2. The Precautionary Statements must be revised to include the following two statements: "Wash with soap and water after handling and before eating, drinking, using tobacco." "Remove and wash contaminated clothing before reuse."

General Comments:

A stamped copy of the labeling, accepted with conditions, is enclosed. Submit one copy of your final printed label before distributing or selling the product bearing the revised labeling.

Should you have any questions or comments concerning this letter, please contact Wanda Henson at 703-308-6345.

Sincerely,

for Wanda Y. R.

EPA Letter Dated:

ACTIVE INGREDIENT: Sodium Bromide 32.2%
OTHER INGREDIENTS: 67.8%
TOTAL: 100.0%

JUL - 7 2009

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

Under the Federal Insecticide,
Fungicide, and Rodenticide Act as
amended, for the pesticide,
registered under EPA Reg. No.

7364-30

See precautionary statements and first aid on back panel.

This product is a clear solution of bromide salts which remain as a stable bank in the spa or hot tub water until [brand name of product-activator] is added. **This product has no disinfectant properties and it is only when [brand name] is added that bromine is released in water containing this product.**

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

This product should be added when the spa/hot tub is filled and weekly thereafter to maintain a bank of bromine in the water.

First, treat the spa/hot tub with **[Insert product name of stain and scale preventer]** according to its labeling directions. Then, add **4 ounces** of this product per every 250 gallons of water directly into the spa or hot tub. Circulate the water while adding this product to ensure thorough distribution.

For weekly maintenance, add one ounce of this product per every 250 gallons of water to maintain a sufficient bank of bromine in the water. Test the bromine residual at least once a day with a bromine/pH test kit. The bromine residual must be between 1-3 ppm for residential spas/hot tubs and 3-5 ppm for commercial installations. Heavy usage, or the length of time the spa/hot tub is in use, may result in depletion of bromine and require additional dosages of [brand name activator] [and/or this product] to maintain the desired bromine residual. Never mix any chemicals with each other before adding to the water.

Change water monthly or as needed to maintain water quality.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS:

CAUTION: Harmful if swallowed. Avoid contact with eyes, skin or clothing. May cause eye and skin irritation. May cause respiratory tract irritation if inhaled. Wash with soap and water after handling.

PHYSICAL AND CHEMICAL HAZARDS: Do not mix with acids or oxidizers.

FIRST AID:

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or a doctor. Do not give any thing by mouth to an unconscious person.

IF ON SKIN: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF IN EYES: Hold eyelids open and rinse slowly with water for 15-20 minutes. Remove contact lenses if present after 5 minutes then continue rinsing eye. Call poison control center or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

IN CASE OF EMERGENCY CALL: 1-800-654-6911.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

STORAGE AND DISPOSAL

{Nonrefillable container - household/residential use}

[Keep this product dry in its tightly closed container when not in use. Nonrefillable container. Do not reuse or refill this container. Rinse empty container thoroughly with water prior to disposal. Offer for recycling if available. Do not contaminate food or feed by storage or disposal or cleaning of equipment.]

{Nonrefillable container - non-household/residential use}

[Keep this product dry in its tightly closed container when not in use. Store in a cool, dry, well-ventilated area. Keep away from heat or open flame. Do not contaminate food or feed by storage or disposal or cleaning of equipment. Nonrefillable container. Do not reuse this container. Offer for recycling if available. Rinse empty container thoroughly with water to dissolve all material prior to disposal.]

[Optional – for use on residential use swimming pool and spa products.]
