DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

- 1. Adjust the spa/hot tub water pH to between 7.2 and 7.8.
2. Turn off all spa/hot tub equipment.
3. For shock treatment, measure out 0.5 ounce (2 1/2 teaspoons) of Chlorinating Concentrate Granular per 500 gallons of spa water. For regular chlorination, measure out 0.1 ounce (1 1/2 teaspoon) per 500 gallons of spa water. Dissolve the required dosage in a pail of water.
4. Add the dissolved Chlorinating Concentrate Granular to the spa or hot tub.
5. Turn on the air blower ONLY, for 3 minutes to mix the Chlorinating Concentrate Granular.
6. After mixing, turn on the filtration system for 1-2 hours.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Highly corrosive. Causes skin and eye damage. May be fatal if swallowed. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Irritating to nose and throat. Avoid breathing dust. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS: This product is toxic to fish. Do not discharge into lakes, streams, ponds, or public waters unless in accordance with an NPDES permit. For guidance contact the regional office of EPA.

PHYSICAL AND CHEMICAL HAZARDS: Strong Oxidizing Agent. Mix only with water. Use clean dry utensils. Do not add this product to any dispensing device containing remnants of any other product. Such use may cause a violent reaction leading to fire or explosion. Contamination with moisture, organic matter, or other chemicals may start a chemical reaction, with generation of heat, liberation of hazardous gases, and possible generation of fire and explosion. In case of contamination or decomposition, do not reseal container. If possible isolate container in open air or well ventilated area. Flood with large volumes of water, if necessary.

STATEMENT OF PRACTICAL TREATMENT: (First Aid) If swallowed drink large amounts of water. Do not induce vomiting. Call a physician immediately. If on skin: brush off excess chemical and flush skin with cold water for at least 15 minutes. If irritation persists, get medical attention. If in eyes: flush with cold water for at least 15 minutes. Get medical attention.

STORAGE AND DISPOSAL: Keep this product dry in a tightly closed container, when not in use. Store in a cool, dry, well ventilated area away from heat or open flame. In case of decomposition, isolate container (if possible) and flood area with large amounts of water to dissolve all materials before discarding this container. Do not reuse empty container but place in trash collection. Do not contaminate food or feed by storage or disposal, or cleaning of equipment.
