NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/re-registration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similiar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Add the phrase "EPA Registration No. 7364-82."
 - b. Revise the "Environmental Hazards" statement to read:

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL

DATE

"This pesticide is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or public waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance contact your State Water Board or Regional Office the EPA.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

Ruth Douglas
Product Manager (32)
Antimicrobial Program Branch

WINTERTRINE

Winterizer

E.P.A. Reg. No. 7364-

E.P.A. Est. No. 7364-WI-1

**KEEPS YOUR POOL
ALGAE - FREE**

ALL WINTER LONG!

ACTIVE INGREDIENT:

Poly[oxyethylene(dimethyliminio)ethylene
(dimethyliminio)ethylene dichloride] 6.0%

INERT INGREDIENTS: 94.0%

KEEP OUT OF REACH OF CHILDREN

CAUTION

See additional precautions and first aid on side panel
in EPA Letter Dated:

JUL 13 1995

1 Gal. (3.785L)
Under the Federal Insecticide,
Fungicide, and Rodenticide Act as
amended, for the pesticide
registered under EPA Reg. No.

GREAT LAKES BIOCHEMICAL CO., INC.
Milwaukee, Wisconsin 53218

WINTERTRINE™ effectively and economically kills algae which may be present when you close your pool. It keeps your pool clear during the winter months. Time and cost for spring opening is reduced.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with the label directions.

—SHAKE WELL BEFORE USE

Clean and vacuum the pool at closing and add WINTERTRINE to the pool water.

DOSAGE RATES
Solid-Covered Pools: ½ gallon WINTERTRINE per 1000 gallons of pool water.
Mesh-Covered or Uncovered Pools: 1 gallon WINTERTRINE per 1000 gallons of pool water.

APPLICATION
Shake the container well and pour the proper amount of WINTERTRINE around the pool perimeter. Continue circulation of pool water for 6 hours after adding WINTERTRINE.

INITIAL POOL START-UP
In spring, WINTERTRINE winterized pools should be treated with Algimycin 20 to start a new algae-free swimming season by using Algimycin 20 as part of a regular season maintenance program.
IMPORTANT NOTE: WINTERTRINE is compatible with other pool chemicals. Always apply chemicals separately, never combine them.

HOW TO ESTIMATE POOL CAPACITY
Square or Rectangular Pools - L x W x D
Circular or Elliptical Pools - L x W x D

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION: Harmful if swallowed, inhaled or absorbed through skin. Avoid contact with skin, eyes or clothing. Avoid breathing vapor. Wash thoroughly with soap and water before reuse. Wash thoroughly with soap and water before reuse.

STATEMENT OF PRACTICAL TREATMENT
FIRST AID: IF SWALLOWED: Call a physician or Poison Control Center. Drink glasses of water and induce vomiting by touching back of tongue with finger. Do not induce vomiting or give anything by mouth to an unconscious person.

IF ON SKIN: Wash with plenty of soap and water. Get medical attention if irritation persists.
IF INHALED: Remove victim to fresh air. If not breathing, give artificial respiration. Get medical attention.
IF IN EYES: Flush eyes with plenty of water. Call a physician immediately.

ENVIRONMENTAL HAZARDS:
This product is toxic to fish. Treated effluent should not be discharged into lakes, streams, ponds or public water. Do not discharge into surface waters unless in accordance with an NPDES permit. For general information, contact the EPA. Do not apply directly to water except as specified on the label.

STORAGE AND DISPOSAL:
Do not contaminate water when disposing of equipment. Never apply any pool chemicals directly to pool water when the pool is closed. Store in original container in a cool dry place. Do not reuse container. Recycle original container in several layers of newspaper before disposal.
