UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

JUN 23 1998

Great Lakes Biochemical Company
Laporte Water Technologies & Biochem
6120 West Douglas Ave.
Milwaukee, WI 53218

ATTENTION: Marianne Radtke

SUBJECT: Pool-Pal 400 Algaecide
EPA Registration Number 7364-89
Your Notification Dated: May 19, 1998

This is to acknowledge receipt of your notification to add an alternate brand name of Leslie's Algaecide 10 to the above referenced product. This notification is acceptable and will be made part of the records for this file.

In reviewing your file it has been noted that the label which was submitted with this application contains the statement "For control of Algae in Swimming Pools". This statement is not on your last accepted label and such a change should be made by amending the basic label.

Should you have any questions concerning this letter, please contact Tracy Lantz at (703) 308-6415.

Sincerely,

Velma Noble
Product Manager (31)
Regulatory Management Branch I
Antimicrobials Division (7510W)

ALGAECIDE 10

For Control of Algae in Swimming Pools

ACTIVE INGREDIENTS:

Alkyl* dimethyl benzyl ammonium chloride

*(C₁₄ 60%, C₁₂ 25%, C₁₆ 15%).....10%

INERT INGREDIENTS:.....90%

TOTAL100%

**KEEP OUT OF REACH OF CHILDREN
DANGER**

See other precautions and first aid on back panel.
Net Contents: 128 FL. OZ. (3.785L)

LPM #14-010

This product is efficient, economical and stable in use dilution. It is compatible with most chemicals used in pool water and will not damage tile, concrete, metal, or plastics. Do not, however, pre-mix with other chemicals before application.

Keeps pool water free and sparkling, clear of visible algae, slime and green-brown colors. It improves filter operation and cuts down need for other chemicals, and imparts tone and pleasant "feel" to swimming pool water.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

INITIAL APPLICATION: To a cleaned pool add 1 gallon to 50,000 gallons of water, or ratio thereof.

MAINTENANCE DOSE: 32 oz. per 50,000 gallons of water every 5 to 7 days. When weather is hot or bathing load is heavy, use this dosage every 5 days or as necessary.

BOOSTER DOSE: Immediately after every rain, add one quart per 50,000 gallons of water as above.

Pour the required amount of this product into a plastic watering can, fill with water, and sprinkle the diluted product around the edge of the pool. For best results, the mixture should be distributed equally around the edge of the pool with the filter running, and the pH and chlorine levels in the acceptable range.

IMPORTANT: Follow above directions without fail, even when pool is not used. Algae growth must be fought at all times.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: CORROSIVE. Causes severe eye and skin damage. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed. Avoid contamination of food.

STATEMENT OF PRACTICAL TREATMENT

FIRST AID: **Eye and Skin Contact:** Immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse. **If Swallowed:** Promptly drink a large quantity of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, as well as oxygen and measures to support breathing manually or mechanically may be needed.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public waters. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

STORAGE AND DISPOSAL

Avoid contamination of food or feed. Do not reuse empty container. Wrap container and put in trash collection.

NOTICE

Neither the manufacturer, nor the seller makes any warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use of this product when such use is contrary to label instructions.
