 FOR SWIMMING POOLS

ACCEPTED
 OCT 7 2004

Under the Federal Insecticide, Fungicide, and
 Rodenticide Act as amended, for the
 pesticide, registered under
 EPA Reg. No. 7364-89

OUTSTANDING ALGAE GROWTH DEPRESSANT

- ACTIVE INGREDIENTS:**
 Alkyl* dimethyl benzyl ammonium chloride
 *(C₁₄ 60%, C₁₂ 25%, C₁₆ 15%).....10%
INERT INGREDIENTS:.....90%
TOTAL 100%

KEEP OUT OF REACH OF CHILDREN
DANGER

See other precautions and first aid on back panel.

Net Contents: 1 Quart (32 fl. oz.)

This product is efficient, economical and stable in use dilution. It is compatible with most chemicals used in pool water and will not damage tile, concrete, metal, or plastics. Do not, however, pre-mix with other chemicals before application.

Keeps pool water free and sparkling, clear of visible algae, slime and green-brown colors. It improves filter operation and cuts down need for other chemicals, and imparts tone and pleasant "feel" to swimming pool water.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.
INITIAL APPLICATION: To a cleaned pool add 1 gallon to 50,000 gallons of water, or ratio thereof.

MAINTENANCE DOSE: 32 oz. per 50,000 gallons of water every 5 to 7 days. When weather is hot or bathing load is heavy, use this dosage every 5 days or as necessary.

BOOSTER DOSE: Immediately after every rain, add one quart per 50,000 gallons of water as above.

WINTER DIRECTIONS:

For pools which have been properly maintained during the swimming season and are free of visible algae add 16 oz. per 10,000 gallons of water. For pools that have some visible algae growth at the end of the swimming season add 64 fl. oz. per 10,000 gallons of water. Be sure to circulate the water for 2 to 4 hours prior to closing.

Pour the required amount of this product into a plastic watering can, fill with water, and sprinkle the diluted product around the edge of the pool. For best results, the mixture should be distributed equally around the edge of the pool with the filter running, and the pH and chlorine levels in the acceptable range.

IMPORTANT: Follow above directions without fail, even when pool is not used. Algae growth must be fought at all times.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: CORROSIVE. Causes severe eye and skin damage. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed. Avoid contamination of food.

FIRST AID:

If in Eyes: Hold eyelids open and rinse slowly with water for 15-20 minutes. Remove contact lenses if present after 5 minutes then continue rinsing eye. Call poison control center or doctor for treatment advice.
If Swallowed: Call a poison control center immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or a doctor. Do not give anything by mouth to an unconscious person.
If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.
If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-858-7378 for emergency medical treatment information.
NOTE to Physician: Probable mucosal damage may contraindicate the use of gastric lavage.

ENVIRONMENTAL HAZARDS

This product is toxic to fish.

STORAGE AND DISPOSAL

Avoid contamination of food or feed. Do not reuse empty container. Wrap container and put in trash collection.

NOTICE: Neither the manufacturer, nor the seller makes any warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use of this product when such use is contrary to label instructions.
