

PRECAUTIONARY STATEMENTS - HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER Highly corrosive. Causes skin and eye damage. May be fatal if swallowed. Do not get into eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Irritating to nose and throat. Avoid breathing dust. Remove and wash contaminated clothing before reuse.

STATEMENT OF PRACTICAL TREATMENT (FIRST AID): IF SWALLOWED Feed victim bread soaked in milk, followed by olive oil or cooking oil. Call a physician immediately. **IF ON SKIN** Brush off excess chemical and flush skin with cold water for at least 15 minutes. If irritation persists, get medical attention. **IF IN EYES** Flush with cold water for at least 15 minutes. Obtain medical attention.

IN THE EVENT OF A MEDICAL EMERGENCY CALL COLLECT 1-800-823-5716

ENVIRONMENTAL HAZARDS This product is toxic to fish. Do not discharge into lakes, streams, ponds or public waters unless in accordance with an NPDES Permit. For guidance, contact the regional office of EPA.

PHYSICAL AND CHEMICAL HAZARDS - STRONG OXIDIZING AGENT Mix only with water. Use clean, dry utensils. Do not add the product to an dispenser or device containing remnants of any other product. Sun use may cause a violent reaction leading to fire or explosion. Contamination with other oxidizing materials or other chemicals may start a chemical reaction with generation of heat, liberation of hazardous gases, and/or fire and explosion. In case of contamination or decomposition, do not reseal container. If possible, place container in large, well-ventilated area. Flood with large volumes of water if necessary.

STORAGE AND DISPOSAL Keep this product in tightly closed original container when not in use. Store in a lock-up cool, dry well-ventilated area away from heat. Do not store in case of decomposition. Use original container if possible. Flood area with large amounts of water to dissolve all materials before discarding this container. Do not reuse empty container for any other collection. Do not contaminate food or feed by storage or disposal or cleaning of equipment.

NOTE This product is sold by weight. Settling of contents during storage and handling will occur. If you have any questions or comments about Aqua Chem Products or their use, please call us toll free. In the Continental U.S. call 1-800-252-POOL. Ask for your free pool care booklet.
