SEP 27 1984

NOTICE OF PESTICIDE: REGISTRATION
 REREGISTRATION

(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

TERM OF ISSUANCE

NAME OF PESTICIDE PRODUCT

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

California-Pacific Corporation
101 SOUTH VAN NESS AVENUE
MONTEBELLO, CA 90041

661130771
18/1

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(7)(B) when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment:

a. Add the phrase "EPA registration no. 1366-72."

b. The precautionary statement should be revised to read similar to the following:

Harmful if swallowed or absorbed through skin. Avoid breathing vapors or spray mist. Avoid contact with skin and eyes. In case of contact, immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists.

Do not apply directly to food. In commercial food handling facilities, cover or remove any food and food processing equipment during application. Do not apply while food

processing is under way. After space spraying in plants, bakeries, and other food processing plants, wash with potable water all equipment, benches, shelving, etc., where exposed food will be handled. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use.

Remove pets and birds, and cover fish aquariums before spraying.

We noted that you have applied to USDA for use of this product in USDA Official Meat and Poultry plants. Until you receive the approval from USDA, you can not release this product for sale in areas specified as Official USDA Meat and Poultry Plants.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

**SPECIAL
INSTITUTIONAL
FORMULA
INSECT KILLER**
**KILLS: FLIES, MOSQUITOES
FLYING MOTHS, GNATS, ROACHES,
WATERBUGS, CRICKETS & ANTS**

For use in the home, and Food and Non-Food Areas of: Food Processing Plants, Schools, Warehouses, Taverns, Stores, Kitchens, Office Buildings, Garages, Hotels, Motels, Kennels, Bottling Plants, Locker Rooms, Bakeries, Cafeterias and Hospitals.

DIRECTIONS:
GENERAL CLASSIFICATION. It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
SHAKE CAN WELL BEFORE SPRAYING. HOLD CONTAINER UPRIGHT.
To Kill Flies, Mosquitoes, Small Flying Moths and Gnats: Spray in corners, under windows and windows and direct spray upward into center of room with a steady motion. Spraying 5 to 10 seconds for average room. Keep room closed 15 minutes after spraying. Ventilate room thoroughly before re-entry. Wipe up and destroy fallen insects. Before spraying cover exposed food and dishes.
To Kill Cockroaches, Ants and Crickets: Contact as many insects as possible directly with spray in addition to thorough spraying of all places suspected of harboring these pests. Special attention should be given to hidden surfaces under sinks, behind stoves and refrigerators, food storage areas and wherever these pests are suspected of hiding. For control of ants, spray doors, window sills, and other areas of entry. Repeat as necessary.
NOTE: When used in hospitals, patients should be removed prior to spraying. Ventilate for two hours after treatment. Do not return patients until odor is gone.

STORAGE: Store in a cool dry area away from heat or open flame.
DISPOSAL: Do not reuse empty container. Wrap container and put in trash.

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals
CAUTION

Harmful if swallowed or absorbed through skin. Avoid breathing vapors or mist. Avoid contact with skin and eyes. In case of contact, wash eyes or skin with plenty of water. Obtain medical attention if irritation persists. Do not apply directly to food. In commercial food handling facilities, remove any food and food processing equipment during application. While food processing is underway. After space spraying in meat processing plants and other food processing plants, wash all equipment, including, etc., where exposed food will be handled, with potable water. All food processing surfaces and utensils should be covered during spraying and thoroughly washed before use. Remove pets, birds, and cover fish aquariums before spraying.

PHYSICAL HAZARDS
 Contents under pressure. Keep away from heat, sparks and open flame. Do not incinerate container. Expose to temperatures above 130°F may cause container to rupture.
