Directions on side panel.

SANI-CLOR concentrated low-temperature liquid sanitizer is ideal tableware sanitizer
and destainer for mechanical spray warewashing machines.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in
a manner inconsistent with its labeling.

DISHES, GLASSES AND UTENSILS

Commercial Mechanical Spray Dish Machines

1. Pre-rinse, pre-flush and load rack
2. Wash
3. Feed SANI-CLOR concentrated low-temperature liquid sanitizer using
an approved automatic dispenser that will provide a minimum of 100ppm
available chlorine in all rinse water. (See Available Chlorine/Chlorine
Table of Proportions)
4. Remove rack and allow utensils to air dry

NOTE: SANI-CLOR concentrated low-temperature liquid sanitizer will degrade
with age. Test rinse periodically with a chlorine test kit and adjust dispenser
rate as necessary to insure a minimum of 50ppm available chlorine. Do
not use on silver or silver plate.

(See last sentence on label for producing establishments.)

MANUAL WARE WASHING

1. Pre-rinse, pre-flush items to be washed
2. Wash and rinse
3. Sanitize in a 100ppm solution of SANI-CLOR
(See Available Chlorine Table of Proportions)

NOTE: SANI-CLOR concentrated low-temperature liquid sanitizer will degrade
with age. Test rinse periodically with a chlorine test kit and adjust dispenser
rate as necessary to insure a minimum of 50ppm available chlorine. Do
not use on silver or silver plate.

AVAILABLE CHLORINE TABLE OF PROPORTIONS

50ppm	1 oz. per 12 gallons
100ppm	2 ozs. per 12 gallons
200ppm	4 ozs. per 12 gallons

DO NOT MIX WITH ANY OTHER CHEMICALS

STORAGE AND DISPOSAL

Store in a cool, dry area away from direct sunlight. In case of spill, flush
area with large quantities of water. Rinse empty container thoroughly with
water, and either return to manufacturer, or discard by placing in a trash
collection or burying in an approved landfill. Product, or residue that can
not be used should be diluted with water and disposed of in a sanitary
sewer. Do not contaminate food or feed by storage, disposal, or cleaning
of equipment.
