

DIRECTIONS FOR USE

IMPORTANT: Read these entire Directions and Conditions of Sale before using.

Apply any time weeds are growing vigorously. If ground is very dry, moisten before applying. For best results water thoroughly 1 to 2 days after applying. Apply when air is quiet to avoid possibility of spray drift. If top growth is high, it is desirable to cut off this growth before applying. This product when used as directed may not control deep-rooted perennials.

Mix 1 quart Multi Weed Killer in 2 gallons of water and apply to 80 square feet or 1 gallon in 8 gallons of water and apply to 320 square feet.

CONDITIONS OF SALE: These Directions for Use reflect the opinion of experts based on tests of effectiveness, of toxicity to plants and laboratory animals and of residues on or in food and feed under normal conditions of use. However, because of the wide range of conditions under which this product may be used, even though label directions are followed, it is impossible to eliminate all risks associated with its use because of abnormal conditions beyond the control of the seller. Wonder Chemical Company and the Seller offer, and the Buyer uses, this product subject to the understanding that the Buyer assumes all such risks.

WARNING Causes eye irritation. May cause skin irritation. Do not get in eyes. Avoid contact with skin or clothing. In event of contact, wash skin with soap and plenty of water. For eyes, flush immediately with plenty of water for at least 15 minutes and obtain medical attention.

Harmful if swallowed.

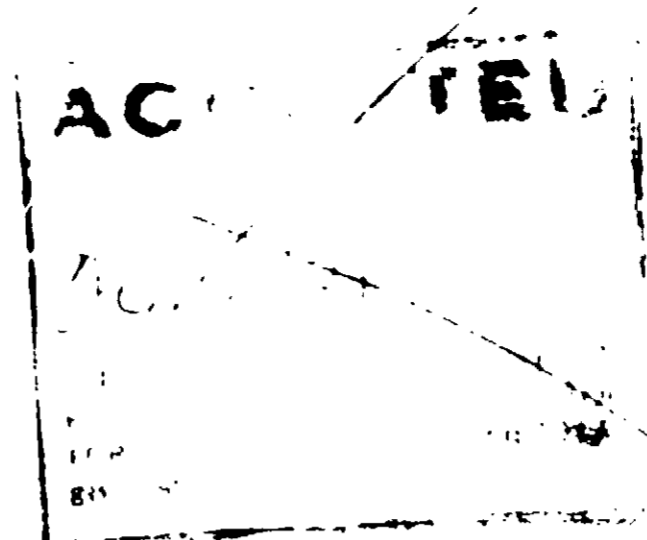

Do not permit this to come in contact with flowers, shrubs, trees, or other valuable plants. Coarse sprays are less likely to drift. Do not spray over areas where soil may contain roots of desirable shrubs and trees. To avoid injury to desirable plants do not apply other chemicals with the same container or equipment used for Multi Weed Killer.

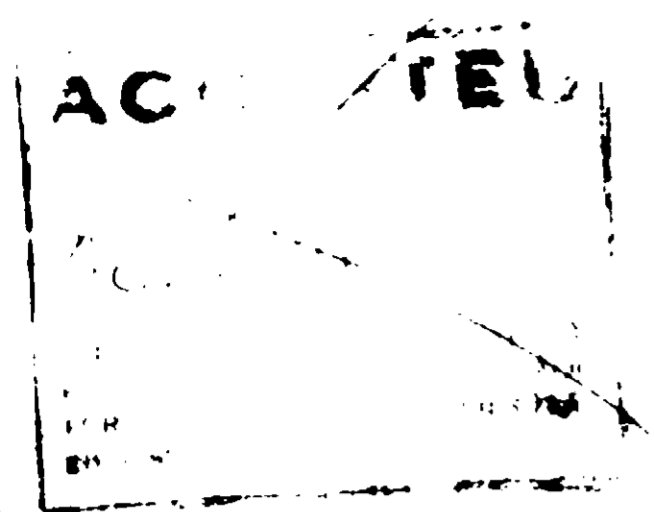

This product is toxic to fish. Keep out of lakes, streams, or ponds.

Do not wear contaminated clothing. Do not store near fertilizers, seeds, insecticides, or fungicides. Do not re-use empty container. Wash thoroughly with water and detergent, perforate or crush, discard in a safe place.

DO NOT USE, POUR, SPILL, OR STORE NEAR HEAT OR OPEN FLAME
