1/2 pound tech. Erbon per gallon.

**W A R N I N G**

**KEEP OUT OF REACH OF CHILDREN**

**SEE OTHER WARNINGS ON BACK PANEL**

- LASTS ENTIRE SEASON
- PREMIXED READY TO USE
- SELF CONTAINED APPLICATOR
- TAKES WORK OUT OF EDGING
- WILL NOT STAIN METAL FENCES

**DIRECTIONS FOR USE  
SHAKE WELL**

Shake well before using. Remove cap from sprinkler head and leave sprinkler head screwed down firmly on jug. Invert jug and apply mixture thoroughly to undesirable plants. The width of spray may be adjusted by holding the jug higher or lower.

For edging around fences, sidewalks, flower beds and the like, hold jug about 2 to 6 inches from grass top, depending upon desired width and walk a little faster than normal pace. For treating large areas such as vacant lots, cemetery lots, hold jug at waist height and walk slowly, making sure to get all undesirable plants wet with spray. One gallon treats a strip two inches wide and 800 feet in length or 133 square feet.

Treated grass dies in 1 to 2 days. Dead grass can be removed in a week or 10 days with a hoe to improve looks of lawn.

Will not permanently sterilize the soil. Lasts approximately for one year.
