DIRECTIONS

For Professional Use

Dear Folks:

It is with great pleasure and pride that we introduce one of the greatest advancements in the growing of roses. We recommend this new dual purpose product because it feeds your roses and controls certain piercing and sucking insects.

1. WHAT IS THIS PACKAGE FOR?

This package of ferti-ICMO Rose Food with Systemic Insecticide is for the people who want richly colored roses and flowers, vigorous shrubs and trees and at the same time control aphids, lacebugs, leaf hoppers, mites, thrips, whiteflies, Birch leaf-miner, pine tip moth, mimosa webworm and red spider mites. This package treats approximately 150 bushes (average size). Use measure in bag to make application easy.

2. HOW TO USE IT?

A. Roses:

1. Individual bushes - apply $1\frac{1}{2}$ oz. or 1 level full measure. Work lightly into soil and water thoroughly.
 2. Established beds and bushes - apply 4 lbs. per 200 sq. ft. Mix lightly into soil and water thoroughly.
 3. Planting new bushes - Individual bushes - apply - $1\frac{1}{2}$ oz. (1 level measure), mix in portion of soil placed in bottom of hole. Cover with 2 inches of plain soil. Plant bushes and water thoroughly.
- Planting new bushes in beds - apply 4 lbs. per 200 sq. ft. Work lightly into soil and water thoroughly.

B. Flowers, Bulbs and Bedding Plants - apply 4 lbs. per 200 sq. ft. Mix lightly into soil and water thoroughly.

C. Ornamental Shrubs, Azaleas, Gardenias, Ivy and other Shrubs - apply 1½ lbs. per inch of trunk diameter. Spread uniformly from near trunk out to drip line on all sides. Work lightly into soil and water thoroughly.

CAUTION: Do not apply to plants to be used for animal or human consumption. Application at higher than recommended rates may cause phytotoxicity. Do not apply broadcast to lawns.

Container Disposal - do not re-use this container. When contents are used, crush and dispose of container.

G. HERE ARE THE RESULTS YOU MAY EXPECT!

Our research has proven that ferti-lome Rose Food containing Systemic insecticide used according to directions will give colorful roses, beautiful flower blooms and vigorous growing shrubs.

Sincerely,
the ferti-lome people
