1/1

1. What Is This Package For?

ferti-lome Oil Spray is very effective in controlling scale on ornamentals, shrubs, fruit trees and shade trees.

2. How Do You Use It?

ORNAMENTALS: Mix 3 tablespoonfuls of ferti-lome Oil Spray in one gallon of water; or 1 pint per 6 1/2 gallons of water; or 1 quart in 12 1/2 gallons water; or 1 gallon per 50 gallons water. Repeat the application at 14 to 21 day intervals until scale is controlled. Make sure undersides of branches and leaves are wet with the spray.

ferti-lome Oil Spray may be mixed with other insecticides and with fungicides except those containing sulphur. ferti-lome Oil Spray may cause plant injury in house plants such as ivy, ferns, and the like. Do not spray plants in mid-day with this spray if temperature is above 90° F. Spray in late afternoon or early morning.

FRUIT AND OTHER TREES: To control San Jose scale on peaches, plums, pears, apple, and other fruit trees; obscure scale on pecans; spray trees thoroughly (during dormant season only) with 6 tablespoonfuls of ferti-lome Oil Spray in gallon of water; or 1 quart in 6 gallons water; or 1 gallon in 25 gallons water. Repeat in 3 to 4 weeks if necessary.

3. Here Are The Results You May Expect:

ferti-lome Oil Spray when used according to directions, is an effective and economical way to control scale on ornamentals, shrubs, and shade trees, such as tea scale on camellias, oleander scale on oleanders, juniper scale on junipers, azalea scale on azaleas, white peach scale on privet, scale on citrus trees, rose scale on roses, magnolia scale on magnolias, and other scales on enduring plants.

CAUTION: Harmful if swallowed. Avoid contact with skin and eyes.

NOTICE: The ferti-lome people warrant that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
