1. WHAT IS THIS PACKAGE FOR?

ferti-lome DORMANT SPRAY AND SUMMER OIL SPRAY is very effective in controlling scale on ornamentals, shrubs, fruit trees and shade trees.

2. HOW DO YOU USE IT?

ORNAMENTALS: Mix 3 tablespoonfuls of ferti-lome DORMANT SPRAY AND SUMMER OIL SPRAY in one gallon of water or 1 pint per 6 1/4 gallons of water; or 1 quart in 12 1/2 gallons water; or 1 gallon per 50 gallons water. Repeat the application at 14 to 21 day intervals until scale is controlled. Make sure the undersides of branches and leaves are wet with the spray

ferti-lome DORMANT SPRAY AND SUMMER OIL SPRAY may be mixed with other insecticides and with fungicides except those containing sulphur. ferti-lome DORMANT SPRAY AND SUMMER OIL SPRAY may cause plant injury in house plants such as ivy, ferns, and the like. Do not spray plants in mid-day with this spray if temperature is above 90° F. Spray in late afternoon or early morning.

FRUIT TREES: To control San Jose scale on peaches, plums, pears and apple trees; obscure scale on pecans; spray trees thoroughly (during dormant season only) with 6 tablespoonfuls of ferti-lome DORMANT SPRAY AND SUMMER OIL SPRAY in gallon of water; or 1 quart in 6 gallons water; or 1 gallon in 25 gallons of water. Repeat in 3 to 4 weeks if necessary.

Page 2.

HERE ARE THE RESULTS YOU MAY EXPECT: ferti-lome DORMANT SPRAY AND SUMMER-CIL SPRAY when used according to directions, is an effective and economical way to control scale on ornamentals, shrubs and shade trees, such as tea scale on camellias, oleander scale on oleanders, juniper scale on junipers, azalea scale on azaleas, white peach scale on privet, scale on citrus trees, rose scale on roses, magnolia scale on magnolias, and other scale on enduring plants.

CAUTION: Harmful if swallowed. Avoid contact with skin and eyes. Avoid inhalation of spray mist.

Do not contaminate water by cleaning of equipment, or disposal of wastes.

Food utensils such as tablespoons or measuring cups should not be used for food purposes after use with pesticides.

Do not reuse container for any purpose. Destroy empty container.

NON-WARRANTY: Follow directions carefully. Timing and method of application, weather and crop conditions, mixtures with other chemicals not specifically recommended, and other influencing factors in the use of this product are beyond the control of the seller. Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
