

7401-23

8/6/1979

ACCEPTED

1. WHAT IS THIS PACKAGE FOR?
 This is a newer and more effective selective post-emergence weedkiller developed to kill Crabgrass, Dallis Grass, Barnyard Grass, Sandbur (sedges), Nutgrass, Chickweed, Bur Clover, Barnyard Grass, Water Grass, Goose Grass, Nutsedge, Ragweed, Foxtail anduncture Vine.

2. HOW DO YOU USE IT? **AUG 6 1979**
 Be sure soil is moist before treatments. During dry spells, water thoroughly before making applications. Normal rain fall following application will not adversely affect results. Resume keeping soil moist by other application, especially during hot dry weather.
EPA Reg. No. 7401-23

3. HERE ARE THE RESULTS YOU MAY EXPECT!
 Lawns free of Crabgrass, Dallis Grass and other listed weeds may be obtained with this effective and economical weed killer.

CAUTION: Keep out of reach of children. Harmful if swallowed. Avoid contact with skin. Avoid breathing spray mist. Wash hands after using. Do not contaminate feed or food-cuffs. Keep children and domestic animals off treated areas until this material has been washed into the soil.

- Do not spray or allow to drift onto desirable vegetation.
- Do not store near fertilizers, fungicides, insecticides or seeds.
- Do not contaminate waters used for domestic consumption, by animals, wildlife and aquatic life, or for irrigation purposes.

ANTIDOTE: If taken internally, induce vomiting and call a physician at once.

- Food utensils such as teaspoons or measuring cups should not be used for food purposes after use with pesticides.
- Do not reuse container for any purpose. Destroy empty container.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given here-with.

NOTE: Do not use on St. Augustine, Carpet, Centipede, Bahia or Dichondra grass lawns.
