WHAT IS THIS PACKAGE FOR?

This package of ferti-lome LAWN & GARDEN FUNGICIDE is useful in the control of Brown Patch in lawns and certain soil-borne diseases of ornamentals.

HOW DO YOU USE IT?

**LAWNS:** (Brown Patch--Rhizoctonia solani): For Southern or warm season lawns such as St. Augustine, Bermuda and similar grasses: Make one application in the fall or spring at first indication of infection. Mix 1 qt. in sufficient water (10-15 gals.) to cover 1000 sq. ft. Apply by means of a sprinkler can, sprayer or any other convenient method of obtaining even coverage. Following application, the treated area should be lightly watered to insure movement through the grass to the soil level. If the treated area is subjected to unusually heavy rainfall, or flooded, or if the disease is severe or reappears, the area should be retreated 3-4 weeks later. Under certain growing conditions, a temporary discoloration of the grass occasionally may occur. This causes no harm and will disappear in a short time.

ORNAMENTALS:

**AZALEA AND CAMELLIA** (Azalea Petal blight and Camellia flower blight): Apply as a drench under plants at a rate of 1 1/2 qts. in 30 gallons of water per 150 sq. ft. Begin application prior to opening of buds and repeat every 3 to 4 weeks through the bloom period.

HERE ARE THE RESULTS YOU MAY EXPECT!

ferti-lome LAWN & GARDEN FUNGICIDE used as directed aids in control of certain fungus thus allowing you more vigorously growing lawn and ornamental plants for your enjoyment.

CAUTION: Avoid inhaling spray mist. Harmful if swallowed. This material may cause skin irritation. Wash hands and face thoroughly after using. Do not use or store near heat or open flame. Use adequate ventilation. Keep container closed. Keep out of reach of children. Avoid contamination with feed or food stuffs.

NON-WARRANTY: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.

Do not reuse empty container. Wash thoroughly with water and detergent. Discard in a safe place.

ACTIVE INGREDIENT:

Pentachloronitrobenzene . . . . . 24.00%

INERT INGREDIENTS: . . . . . 76.00%

Total . . . . . 100.00%

Contains 2 lbs. of Pentachloronitrobenzene per U. S. Gallon at 70°F.  
USDA Reg. No. 7401-
