1/2

1. WHAT IS THIS PACKAGE FOR?

This product may be used as a surface spray on tree trunks and lower limbs to kill Lesser Peach Tree Borers working beneath the bark, or when fitted with attached tube adapter, may be used to reach into the Lesser Peach Tree Borer tunnels.

2. HOW DO YOU USE IT?

SHAKE WELL BEFORE USE: Remove protective cap. Hold container in an upright position. Point nozzle in direction indicated by arrow. Press nozzle.

SURFACE SPRAY TO TREE TRUNKS AND LOWER LIMBS:

To kill Lesser Peach Tree Borers in Peach, Plum, Prune, Cherry and Almond trees, spray trunks and lower limbs until wet with spray. Repeat at three week intervals. Do not treat peach trees within 7 days of harvest, nor cherry, plum or prune trees within 3 days of harvest.

BORER TUNNELS:

To kill Lesser Peach Tree Borers in Peach, Plum, Prune, Cherry and Almond trees. Remove sawdust from borer holes in trunk. Insert plastic tube found on side of can into nozzle. Insert tube into borer hole and into tunnel. Spray 1-2 seconds. Remove tube and fill hole with pruning paint or pruning sealer. Do not treat peach trees within 7 days of harvest, nor cherry, plum or prune trees within 3 days of harvest.

3. HERE ARE THE RESULTS YOU MAY EXPECT!

This product, when used according to directions, will aid you in killing troublesome and damaging Lesser Peach Tree Borers in your valuable fruit and nut trees.

CAUTION: May be harmful if swallowed or absorbed through the skin. Do not breathe spray mist. Avoid contact with skin, eyes and clothing. Wash thoroughly after handling. Avoid contamination of feed and foodstuffs.

Do not spray humans, livestock or pets.

FLAMMABLE: Do not use or store near heat or open flame.

PRECAUTION: Contents under pressure. Do not puncture. Exposure to high temperatures may cause bursting. Keep at room temperature away from direct sunlight, radiators, stoves, hot water and other heat. Never dispose of container in fire or incinerator.

NOTICE: Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.

Active Ingredient:	
Malathion*	0.5%
Inert Ingredients:	99.5%
