

1. WHAT IS THIS PACKAGE FOR?

Chinch Bugs suck the juice from St. Augustine Grass, causing the grass to wilt, turn brown and eventually die. These insects are very small, ranging in size from 1/20" to 1/5". Adult chinch bugs are black with white marks on their wings.

2. HOW DO YOU USE IT?

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL CAUTIONS, WARNINGS AND DIRECTIONS. KEEP PESTICIDES IN ORIGINAL CONTAINER. DO NOT PUT CONCENTRATE OR DILUTE INTO FOOD OR DRINK CONTAINERS.

ferti-lome CHINCH BUG KILLER is an emulsifiable insecticide containing Aspon*. It may be applied effectively with hose-end sprayer. Follow directions listed below. Do not store diluted spray. Make new dilution for each use.

DIRECTIONS:

LAWN CHINCH BUGS: 1 1/3 cupfuls (10 1/2 ounces) in 15 gallons of water to cover 500 sq. ft. area. For best results, water lawn thoroughly before spraying. All adult Chinch Bugs may not die until 3 to 5 days after spraying.

NOTE: Keep children and pets off treated area for 24 hours and until grass has completely dried.

HOW TO APPLY:

Place required amount of ferti-lome CHINCH BUG KILLER for 500 sq. ft. (20' x 25') in hose-end sprayer. Follow the recommendations of the manufacturer for that particular hose-end sprayer. Turn on hose and apply evenly to 500 sq. ft. of lawn. Cover the area in 2 directions to insure complete coverage. Direct the spray downward for maximum penetration into the grass. ferti-lome CHINCH BUG KILLER applied as above usually results in lawns free from Chinch Bug damage for several weeks. In some in-

stances, the lawn may not be troubled again for months. Spray again as soon as Chinch Bug damage is noticed. For those who would rather follow a control spray program, apply ferti-lome CHINCH BUG KILLER every 2 months, starting in early spring.

3. HERE ARE THE RESULTS YOU MAY EXPECT!

ferti-lome CHINCH BUG KILLER, when used as directed, will kill existing infestations of Chinch Bugs. It will also control Chinch Bug infestations when used as a control spray program.

WARNING: May be fatal if swallowed. Avoid breathing spray mist. Do not get in eyes, on skin or clothing. In case of contact, immediately flush eyes with plenty of water; for skin, wash with soap and water. Avoid contamination of feed and foodstuffs. Do not use on household pets or humans. DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME. Avoid drift to adjoining field and forage crops. When container is empty, immediately wash thoroughly and destroy. Never re-use.

Food utensils such as a teaspoon or measuring cup should not be used for food purposes after use with insecticides.

This product is toxic to fish. Keep out of lakes, streams or ponds. Birds feeding on treated areas may be killed. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.
