

**1. WHAT IS THIS PACKAGE FOR?**

New combination insecticide and fungicide kills damaging insects and valuable nut trees.

**2. HOW DO YOU USE IT?**

Mix according to directions listed below. Spray in such a manner to thoroughly cover upper and lower leaf surfaces and all plant parts. Apply just after bloom or when insects or their damage appear. Repeat at 10-14 day intervals as necessary to maintain control. Do not apply within 14 days of harvest.

**NOTE:** Do not apply to chestnuts after silicles begin to open. Do not graze livestock in treated areas. Do not treat trees to be struck.

ADP	INSECTS	PECAN
