Your Submission dated November 22, 1983

The amendments referred to above, submitted in connection with registration under FIFRA are acceptable provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:
 - a. Change the statement to read - Keep children and pets off treated area until material is washed into soil.
 - b. Under the human hazard statement, change the first sentence to read - Harmful if swallowed. For EPA Registration No. 7401-358,

 **Total arsenic (as elemental) all in water soluble form .. 1.10%

KEEP OUT OF REACH OF CHILDREN

CAUTION

SEE BACK PANEL FOR ADDITIONAL PRECAUTIONARY STATEMENTS

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

1. WHAT IS THIS PACKAGE FOR?

This product with special applicator package is designed for spot killing of Nutgrass plants in ornamental and flower beds, around shrubs, trees, patios, sidewalks and spot treatment in lawns.

2. HOW DO YOU USE IT?

This bottle is an easy to use applicator. Apply 2 to 3 drops to the nutgrass plant. In 2 to 3 days plants begin to turn yellow and die. Nutgrass plants may periodically appear from nuts in the ground. Several applications during the growing season may be necessary to clean up an infested area.

3. HERE ARE THE RESULTS YOU MAY EXPECT!

Used as directed, this product kills individual nutgrass plants. Digging or pulling of nutgrass plants sometime causes nutgrass to multiply rapidly.

STORAGE: Store in original container and place in a locked storage area.

DISPOSAL: Do not reuse container. Rinse thoroughly and securely wrap original container in several layers of newspaper and discard in trash.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: May be harmful or fatal if swallowed. Avoid contact with skin, eyes and clothing. Wash thoroughly after handling and before eating or smoking. Avoid contamination of feed and foodstuffs. Keep children and pets off treated area until foliage is dry. Wear protective clothing when handling or apply this product, including long pants, long-sleeve shirt, and impermeable gloves and boots.

STATEMENT OF PRACTICAL TREATMENT

- If swallowed - Call a physician or Poison Control Center immediately. If possible, vomiting should be induced under medical supervision. Drink one or two glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.
- If inhaled - Remove victim to fresh air. Apply artificial respiration if indicated.
- If on skin - Remove contaminated clothing and wash affected areas with soap and water.
- If in eyes - Flush eyes with plenty of water. Call a physician immediately.

ENVIRONMENTAL HAZARDS

Do not apply directly into water. Keep out of lakes, streams, and ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

*Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
