PS 181

**1. WHAT IS THIS PACKAGE FOR?**

This package is for control of White Grubs (the larvae or worm stage of Asiatic Garden Beetle, European Chaffer, Green June Beetle and White Fringed Beetles) ... some of the most destructive insects invading lawns.

Grubs feed in grass roots below soil surface. Their damage is indicated by dead areas of turf.

**2. HOW DO YOU USE IT?**

**LAWNS AND OTHER GROUND COVERS:** Water grass thoroughly a few hours before applying. Mix 4 tablespoons in 3 gallons of water and apply to 125 sq. ft. (or 2 cups in 24 gallons of water per 1000 sq. ft.) Repeat as necessary to maintain control.

**3. HERE ARE THE RESULTS YOU MAY EXPECT!**

White Grub control in your lawn areas is easily obtained with use of this product.

**CAUTION:** May be harmful or fatal if swallowed or absorbed through the skin. Do not breathe spray mist. Avoid contact with skin, eyes and clothing. Wash thoroughly after handling. Avoid contamination of feed and foodstuffs. Do not use on household pets or humans. Do not permit children or household pets to go onto sprayed grass or come in contact with foliage until spray has completely dried.

**DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME.**

This product is toxic to fish and wildlife. Birds feeding on treated area may be killed. Keep out of any body of water. Do not contaminate water by cleaning of equipment, or disposal of waste.

This product is highly toxic to bees exposed to direct treatment or residues on crops. Protective information may be obtained from your Cooperative Agricultural Extension Service.

Do not apply when weather conditions favor drift from areas treated.

Do not apply where runoff is likely to occur.

Do not reuse container for any purpose. Destroy empty container.

Food utensils such as a tablespoon or measuring cup should not be used for food purposes after use with insecticides.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
