DIRECTIONS:

1. WHAT IS THIS PACKAGE FOR?

This package of ferti-lome LAWN FOOD Containing DIAZINON is for those people who want a lawn food which will give them an extra green, luxurious lawn, and at the same time kill soil insects.

2. HOW DO YOU USE IT?

To kill above listed insects and give your lawn a full feeding, apply ferti-lome LAWN FOOD Containing DIAZINON at the rate of 13½ lbs. per 1,000 sq. ft. of lawn area. Use fertilizer spreader set at the settings shown in the following table. For grub control make application any time between late July and early October. For billbug control, apply when activity is first observed or when chewed or brown grass is present, indicating damage from this insect. Water grass thoroughly after application. Repeat applications as necessary.

SPREADER	SPREADER SETTINGS For 13½ lbs./1000 sq. ft.
ferti-lome CYCLONE	4½ To build good
ferti-lome DELUXE	8 turf feed with
CENTRAL (Sears, Wards, J. C. Penney)	8 ferti-lome
Scatts	6½ monthly during growing season

NOTICE: Spreader settings are only approximate. Accurately weigh a few pounds into spreader and apply to measured area. Then adjust spreader setting if necessary in order to assure correct rate of application.

This product is not recommended for container grown plants.

3. HERE ARE THE RESULTS YOU MAY EXPECT!

ferti-lome LAWN FOOD Containing DIAZINON will aid you in maintaining that deep-green, luxurious lawn that will be the envy of your neighborhood plus help provide long lasting insect control.

Sincerely,
the ferti-lome people
