For use on all lawns, gardens, parks, sports fields,
terraces, balconies, and patios.
For best results, apply Crabgrass Preventer Plus Lawn Food
in late fall or early spring before crabgrass starts to grow.
Apply to the lawn in a thin, even layer.
Water thoroughly after application.
Do not walk on the lawn for 24 hours after application.
Keep out of eyes and avoid contact with skin.
If contact occurs, wash thoroughly with water.
Keep out of reach of children and pets.
Store in a cool, dry place.
Do not use if the seal is broken or the product is discolored.
