

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND
DOMESTIC ANIMALS**

CAUTION

May cause eye irritation. Avoid contact with eyes. Do not get on skin or clothing. Harmful if swallowed. Wash thoroughly after handling. Keep children and pets off treated surfaces until spray has dried.

**STATEMENT OF
PRACTICAL TREATMENT**

IF SWALLOWED—Call a physician or Poison Control Center immediately. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.

IF INHALED—Remove victim to fresh air. Apply artificial respiration if indicated.

IF ON SKIN—Remove contaminated clothing and wash affected areas with soap and water.

IF IN EYES—Flush eyes with plenty of water. Call a physician if irritation persists.

ENVIRONMENTAL HAZARDS

Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

IMPORTANT: Do not apply this product when rainfall is expected within 6 hours. Do not use on windy days or when weather conditions favor drift. Protect from freezing.

Buyer assumes all risk of use, storage or handling of this material not in strict accordance with directions given herewith.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

1. WHAT IS THIS PACKAGE FOR?
ferti-lome **SYSTEMIC VINE KILLER** is a non selective herbicide that will kill undesirable vine growth around fences, trees, buildings, flower beds, gardens and other areas where vine growth is unwanted. Kills Kudzu, Poison Ivy, Poison Oak, Honeysuckle, Morning Glories, Puncturevine, Trumpet Creeper, Bindweed and other nuisance vines.

2. HOW DO YOU USE IT?
Simply spray the entire vine until all surfaces are wet. Avoid cutting the treated vegetation for at least 10 days. If certain hard to kill vines are not completely killed within 14 to 21 days a second application should be made. For best results apply on warm, sunny days and when vines are actively growing.
NOTE: Spray carefully to avoid spray contact with desirable vegetation. If spray or drift contacts desirable vegetation, wash off immediately with water.

3. HERE ARE THE RESULTS YOU MAY EXPECT!
When used as directed, ferti-lome **SYSTEMIC VINE KILLER** will kill unwanted vine growth for a more attractive home and garden area.

To refill this container, pour 6 1/2 ozs. of Hi Yield Systemic Weed & Grass Killer into this 1 Quart container and finish filling with clean water.

STORAGE & DISPOSAL
Avoid contamination of food or feed. When empty container is discarded, wrap container and put in trash collection.
