DIRECTIONS FOR USE: It is a violation of federal law to use this product in a manner inconsistent with its labeling.

1. WHAT IS THIS PACKAGE FOR?

ferti-lome IMPROVED BERMUDA GRASS WEEDER is especially formulated to kill Dallis Grass, Crabgrass, Nutgrass, Dandelion, Johnson grass, Morning Glory and other listed weeds in Bermuda grass lawns.

2. HOW DO YOU USE IT?

Use in a hose-on or tank type sprayer. Mix 2 ozs. with each gallon of water. Use 2 ozs. of product to cover 1,000 sq.ft. Spray to thoroughly saturate weeds. Two or three treatments are usually necessary at 7-14 day intervals. Bermuda grass may be temporarily discolored after treatment, but will come back quickly depending on moisture and plant food available to grass. For best results mow lawn grasses before application.

NOTE: Do not spray seeded lawns until second year. Do not use on St. Augustine, Carpet, Centipede, Bahia or Dichondra grass lawns. Avoid contact with desirable vegetation such as shrubs, flowers and other ornaments. If contact occurs, wash off immediately with water.

3. HERE ARE THE RESULTS YOU MAY EXPECT!

This effective weed killer will control unsightly Dallis grass, Crabgrass, Nutgrass, Dandelion, Johnson grass, Morning Glory and other listed weed growth for a more beautiful and uniform appearance of Bermuda Grass lawns.

- DISPOSAL

Do not reuse empty container. Wrap container and put in trash collection.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: May be harmful or fatal if swallowed. Avoid contact with skin, eyes or clothing. Wash thoroughly after handling and before eating or smoking. Avoid contamination of feed or foodstuffs. Keep children and pets off treated areas until this material has washed into the soil.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED - Call a physician or Poison Control Center immediately. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Never induce vomiting or give anything by mouth to an unconscious person.

IF INHALED - Remove victim to fresh air. Apply artificial respiration if indicated.

IF ON SKIN - Remove contaminated clothing. Wash affected areas with soap and water.

IF IN EYES - Flush eyes with plenty of water. Call a physician immediately.

ENVIRONMENTAL HAZARDS

Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

NOTE: Do not spray or allow to drift to desirable vegetation. Do not store near fertilizers, fungicides, insecticides or seeds. Do not store spray solution in tank for prolonged periods.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
