

DEC 24 1991

Raymond H. Smith
Voluntary Purchasing Groups, Inc.
P.O. Box 460
Bonham, Texas 75418

Dear Mr. Smith:

Subject: Change in Formulation
ferti-lome Whitefly & Mealybug Killer
EPA Reg. No. 7401-372
Submission: October 23, 1991

We have received an acceptable revised Confidential Statement of Formula for the above product. It has been included in the file jacket as a matter of record.

We have no record of having received a final label on this product since its registration November 3, 1983. If you are marketing this product, submit a revised label as soon as possible. When you submit this label, the active ingredients should be stated as follows:

Refined petroleum distillate.....	0.216%
Resmethrin 5-(phenyl-methyl)-3-furanyl methyl 2,2-dimethyl-3-(2-methyl-1-propenyl) cyclopropanecarboxylate.....	0.050%
Related compounds.....	0.007%

The Sun Spray 6E product (EPA Reg. No. 862-11) you are using as a source, is 98% active and the active is labelled as refined petroleum distillate.

If you have any questions, please call Bob Brennis at 703-305-6788.

Sincerely,

Richard F. Mountfort

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-73 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA, sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.
