U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number: 7401-449
Date of Issuance: August 24, 2000

NOTICE OF PESTICIDE:

Registration
 Reregistration

(under FIFRA, as amended)

Term of Issuance:
Unconditional

Name of Pesticide Product:
Hi-Yield Crawling Insect Control

Name and Address of Registrant (include ZIP Code):

Voluntary Purchasing Groups, Inc.
P.O. Box 460
Bonham, TX 75418

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

1. This product is unconditionally registered in accordance with FIFRA sec. 3(c)(5). Once a pesticide is registered, however, it is not regarded as permanently acceptable. Registration does not eliminate the need for continual reassessment of pesticides. If the Agency determines that, at any time, additional data are required to maintain in effect an existing registration, the Agency will require submission of such data under FIFRA section (3) (c) (2) (B)

2. Make the following labeling changes:

- a) Revise the EPA Registration Number to read "EPA Reg. No. 7401-449 "
- b) Either delete all "Repeat as necessary" - type statements from your label or qualify by stating the minimum allowable time interval between applications. This should be based on the efficacy data cited in support of your product and the duration claims currently claimed.
- c) Please add the statement "You may also contact 1-800-xxx-xxxx for emergency medical treatment information" after the sentence "Have the product container or label with you when calling a poison control center or doctor, or going for treatment" at the beginning of your First Aid section. Please note, based on the toxicity categories of your product, you are only required to have an "IF IN EYES" statement. The remaining categories are optional.

Signature of Approving Official: *Maey Ann Keigwin*
for George T. LaRocca

Date: AUG 24 2000

3. Please submit two (2) copies of your final printed label for before your release the product for shipment. Please refer to the A-79 enclosure for a further description of final printed labeling. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing amended labeling constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

If you have any questions regarding this action, please contact Tracy Keigwin of my team at (703) 305-6605.

Sincerely,

George T. LaRocca
Product Manager (13)
Insecticide Branch
Registration Division (7505C)

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling. Use adequate ventilation and avoid breathing dust. Wear a suitable dust mask when using this product during prolonged exposure periods.

FIRST AID	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment.	
If inhaled	<ul style="list-style-type: none"> • Move person to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. • Call a poison control center or doctor for further treatment advice.
If on skin or clothing	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
If in eyes	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
If swallowed	<ul style="list-style-type: none"> • Call poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by the poison control center or doctor. • Do not give anything by mouth to an unconscious person.

Hi-Yield Crawling Insect Control is made from Amorphous Diatomaceous Earth fresh water type. Its killing actions are mechanical. Insects cannot become immune to its action. Insects come in contact with the powder or ingest it and literally dry up and die within 48 hours. Diatomaceous Earth also has a highly repellent effect on most insects. Diatomaceous Earth is odorless, nonstaining and remains effective in the control of insects, as long as the product is present.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

[BACK/SIDE LABEL PANEL]

STORAGE & DISPOSAL

Storage: Store in a cool dry area.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: When empty, close container and discard in trash. Partially filled container may be discarded by wrapping in several layers of newspaper and discard in trash. Then dispose of empty bag in a sanitary landfill or by incineration, if allowed by State and local authorities. If burning, stay out of smoke.

Indoor Uses: Crawling Insect Control is intended for application with a hand duster, power duster or similar means for application to areas where crawling insects are found. Apply Crawling Insect Control to cracks and crevices with the use of a bulbous duster or other suitable equipment. Apply lightly and uniformly.

For Cockroaches, Ants, Earwigs, Millipedes, Centipedes, Crickets and Silverfish - Lightly coat a thin layer of Crawling Insect Control in areas where pests are found and may hide such as cracks and crevices behind and beneath refrigerators, cabinets, stoves, garbage cans and in and around sewer pipes and drains, window frames and in attics and basements. Dust insects directly if possible. Repeat treatment regularly or whenever reinfestation is noted.

For Fleas: Thoroughly treat floor and bedding in and around pets' sleeping quarters. Treat surrounding cracks and crevices, baseboards, carpeting and wherever fleas are suspected. Treat pets directly with a product registered for use to control fleas.

For Carpet Beetles: Dust along baseboards, carpet edges, under carpeting, furniture, in closets and shelving where these insects are seen or suspected.

Bedbugs: Dismantle bed. Use Crawling Insect Control in joints, crevices and where rungs are inserted. See that all interior areas are dusted. Dust mattresses especially folds and edges. All cracks and crevices in the bedroom should be treated.

Outdoor Use: For Control of Cockroaches, Earwigs, Grasshoppers, Ants, Crickets, Slugs and Other Crawling Insects - Lightly coat a thin layer of Crawling Insect Control in areas where these insects are found such as patios, outdoor sills, window and door frames. Dust around foundations, along ant trails and around sewer pipes and drains. Repeat treatment as necessary.

NOTE: Buyer assumes all risks of use, storage or handling of this product not in strict accordance with directions given herewith. Voluntary Purchasing Groups, Inc. warrants this product to conform to the chemical description on the label and for the purposes stated on the label. The limit of any liability incurred shall be the purchase price paid by the user or buyer.
