7-13-54

THE UNITED STATES DEPARTMENT OF AGRICULTURE
 OFFICE OF ENTOMOLOGICAL AND PLANT QUARANTINE
 WASHINGTON, D. C. 20250
 Approved for use in the United States and
 possessions thereof, and for export therefrom,
 under the authority of the Secretary of Agriculture,
 in accordance with the provisions of the
 Federal Insecticide, Fungicide, and
 Rodenticide Act, and the amendments thereto,
 and the rules and regulations thereunder, and
 subject to the conditions and restrictions
 hereon, and to the conditions and restrictions
 of any and all orders, permits, and
 certificates issued by the Secretary of
 Agriculture, and to the conditions and
 restrictions of any and all laws, orders,
 regulations, and decrees of the United States
 Government, and to the conditions and
 restrictions of any and all laws, orders,
 regulations, and decrees of any State,
 Territory, or Possession of the United States,
 and to the conditions and restrictions of any
 and all laws, orders, regulations, and
 decrees of any foreign country, and to the
 conditions and restrictions of any and all
 laws, orders, regulations, and decrees of
 any international organization, and to the
 conditions and restrictions of any and all
 laws, orders, regulations, and decrees of
 any other authority having jurisdiction
 over the use of insecticides, fungicides,
 and rodenticides in the United States,
 and to the conditions and restrictions of any
 and all laws, orders, regulations, and
 decrees of any other authority having
 jurisdiction over the use of insecticides,
 fungicides, and rodenticides in any
 foreign country.
