DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling

SHAKE WELL BEFORE USING

Use this product only as specified on label. Remove protective cap. Hold spray dispenser upright. Point valve in desired direction. Press button to spray.

Mosquitoes, Flies, Gnats: Close all doors and windows. Direct the spray to all parts of the room. Fill the room with mist, then leave the treated area. Keep room closed for at least 15-30 minutes. Ventilate the room when treatment is completed. Sweep up and destroy fallen insects.

Wasps: Application should be made in late evening when insects are at rest. Spray liberally into hiding and breeding places, contacting as many insects as possible. Repeat as necessary.

For Crawling Insects: Fleas, Ticks, Roaches, Earwigs, Grain Mites, Sowbugs, Spiders and Centipedes. Spray thoroughly into hiding places such as cracks, crevices, moist areas, openings around pipes and sinks, under refrigerators, baseboards and storage areas. Spray directly on insect where possible.

Ants: Spray trails, nests and points of entry. Spray on ants where possible. Repeat as necessary.

PRECAUTIONARY STATEMENT
HAZARD TO HUMAN AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed or absorbed through skin. Avoid breathing vapors or spray mist. Avoid contact with skin and eyes. In case of contact, immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists.

Do not apply directly to food. In commercial food handling facilities, cover or remove any food and food processing equipment during application. Do not apply while food processing is under way. After space spraying in meat packing plants, bakeries, and other food processing plants, facilities and equipment must be washed with an effective cleaning compound followed by a potable water rinse. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use.

STORAGE: Store in a cool, dry area away from heat or open flame.

DISPOSAL: Do not re-use empty container. Wrap container and put in trash collection.

WARNING: Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130°F may cause bursting. Never throw container into fire or incinerator.
