

[7405-9]

USDA Reg. No. 7405-9

DIRECTIONS

Remove protective cap. Hold dispenser upright. Point valve toward surface to be sprayed. Press the button to release the spray.

To repel such insects as mosquitoes, biting flies, sand flies, gnats, chiggers, and Red Bugs, ticks, spray on exposed skin and clothing where insects are biting through. Spray from a distance of 6 inches or more, making sure to spray cuffs of trousers, socks, and other openings in clothing. Repeat when needed.

To apply to face, spray a small amount on hand and spread on face avoiding eye and mouth.

Active ingredients: 2-ethylhexyl piperonyl butyrate 20.00%

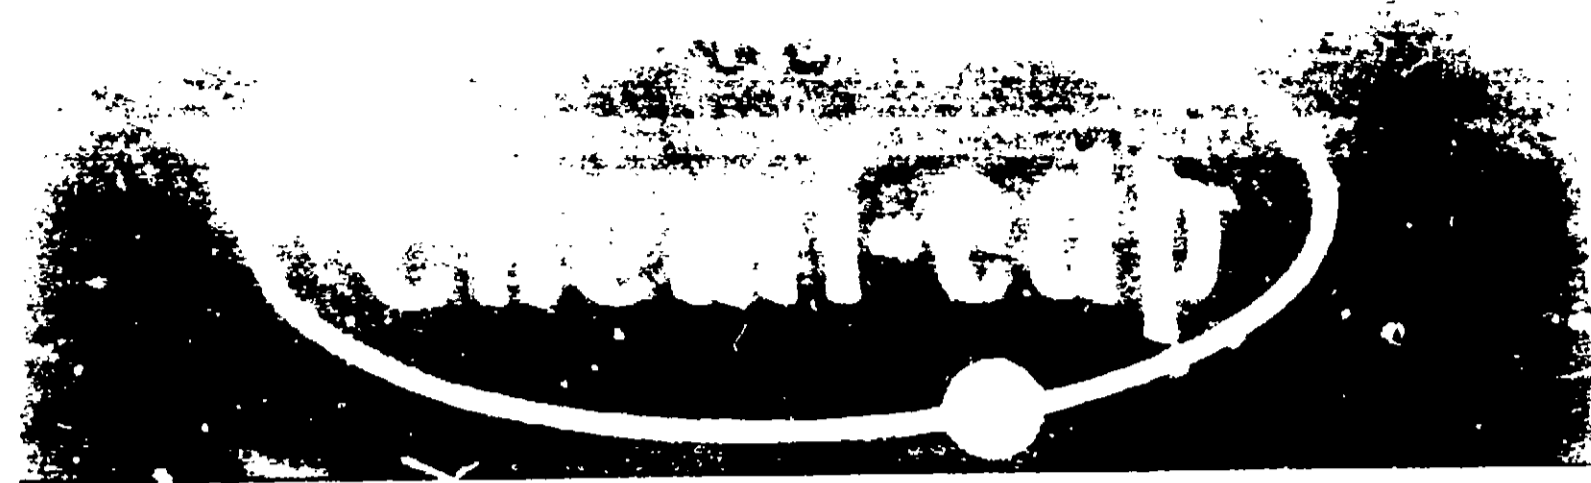

Inert ingredients 80.00%
