

Deodorizes and Sanitizes Air  
 Aids in Reduction of Airborne Bacteria  
 Refreshes with Pleasant Fragrance  
 Deodorizes Gym and Bowling Shoes

**DIRECTIONS**

Remove protective cap, hold upright, point valve away from face. In closed spaces, e. g. a 9' x 12' average room, spray for 2-3 seconds so that a light mist forms. This will reduce the number of air-borne bacteria and virus particles and aid in providing a temporary decontamination of the air. This may be repeated, as necessary, but do not over-use.

Gym shoes and other athletic equipment should be sprayed individually, 2-3 seconds, until covered with a mist, for best results.

ACTIVE INGREDIENTS	39.25%
Ethanol	31.65%
Triethylene Glycol	4.50%
Propylene Glycol	3.00%
Diisobutylphenoxyethoxy Ethyl Dimethyl Benzyl Ammonium Chloride	0.10%
INERT INGREDIENTS	60.75%
Dichlorodifluoromethane, Trichlorofluoromethane, Perfume	
TOTAL	100.00%

**WARNING**

Contents under pressure. Do not puncture. Exposure to high temperature may cause bursting. Keep at room temperature - away from direct sunlight, radiators, stoves, hot water and other heat. Never throw container into fire or incinerator. Do not expose container above 120° F. Do not spray on feed or foodstuffs.
