Santa Ana, CA 92701

Subject: **Jasco® Termin-8 Wood Preservative Green**
EPA Registration No. 7424-1
Your Application Dated August 12, 2003

Dear Mr. Patel:

The following amendments, submitted in connection with registration under section 3(c)(7)(A) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, are acceptable with comment.

Proposed Amendment:

- Revised Use Directons
- Add "Exterior Use Only" to the front panel
- Reformat First Aid Box statement

Label Comments:

1. Revise the Storage and Disposal Statement text as follows:

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal

Pesticide Storage: (Add storage text)

Pesticide Disposal: Wastes resulting... disposal facility.

Container Disposal: Do not reuse...and discard in trash.

2. With respect to bilingual labeling text, you must implicit in a notification of bilingual labeling that the bilingual text is an accurate translation of the English labeling text.

JASCO TERMIN - 8
DECLARACIONES PREVENTIVAS Y PELIGROS
PARA SERES HUMANOS Y MASCOTAS

ADVERTENCIA: Causa lesiones significativas a los ojos de manera temporal. Dañino o fatal si se ingiere o absorbe a través de la piel. No permita que le caiga a los ojos, la piel o la ropa. Lávese cuidadosamente con agua y jabón después de manejarlo. Quite la ropa contaminada y lávela antes de volver a usarla. NO aspire los vapores, bruma o rocío. Use gafas o careta y guantes de hule cuando maneje TERMIN-8. NO ASPIRE los vapores cuando aplique con brocha, rodillo, rociador o por medio de Inmersión de la madera. Use un respirador aprobado por NIOSH/MSHA cuando esté rociando este producto por un periodo continuo o frecuente.

La aplicación de este producto puede producir un olor fuerte, desagradable y persistente.

PRIMEROS AUXILIOS

SI LE CAE EN LOS OJOS:	Enjuague inmediatamente con una gran cantidad de agua y obtenga tratamiento médico.
SI LE CAE EN LA PIEL:	Enjuague con agua. Quite y lave la ropa contaminada antes de volver a usarla.
SI SE INGIERE:	No induzca vómito. LLAME A UN DOCTOR.

NUMERO TELEFONICO DIRECTO

En caso de emergencia médica, para información adicional, llame a Chemtrec gratis al 1-800-924-9300. Tenga el recipiente o la etiqueta cuando llame al centro del control de veneno o médico o cuando vaya por tratamiento.

PELIGROS AMBIENTALES: Este producto es tóxico para los peces. No vacíe directamente al agua, en las áreas pluviales o en áreas intermareales por debajo de la marca alta promedio del agua. No contamine el agua limpiando el equipo o desechando desperdicios.

PELIGROS FÍSICOS Y QUÍMICOS-COMBUSTIBLE, no lo almacene cerca de calor o flama abierta. Cierre el envase después de cada uso.

INSTRUCCIONES: SOLAMENTE PARA USO EXTERNO

Es una violación a la ley federal el usar este producto de una manera que contradiga las especificaciones de la etiqueta.

INMERSIÓN-ROCIADO-CON BROCHA-CON RODILLO

Antes de aplicar Termin-8, debe remover la pintura, barniz, cera u otros recubrimientos y todas las cortezas. Toda la madera poco sólida debe removerse al menos 2 pies desde donde haya evidencia visible de pudrición para controlar las termitas, hongos carpinteros y polvo después de la presencia de escarabajos. La madera debe estar normalmente seca.

MADERA POR ENCIMA DE LA TIERRA: Remoje la madera cuando menos 3 minutos para obtener los mejores resultados. Si esto no es posible, aplique dos capas con una brocha, rodillo o un rociador de baja presión. Cubra todas las superficies.

MADERA POR DEBAJO DE LA TIERRA: Remoje la madera durante 12 a 24 horas cubriendo 6 pulgadas arriba del nivel de la tierra. Si no es posible, aplique 2 capas gruesas a un intervalo de 10 minutos cada una.

MADERA TRATADA CON PRESIÓN: Aplique una capa generosa a las superficies expuestas de madera cortada, lijada o tratada con barreno a presión.

COBERTURA: 100-300 pies cuadrados por galón, dependiendo de la porosidad y aspereza de la superficie. Siete (7) galones por 1000 pies tableros para tratamiento de tanque abierto.

IMPRIMACIÓN O BASE: Deje que esté completamente seco al tacto, entre 1 y 7 días, antes de terminar con pintura u otro material de revestimiento. Termin-8 se mostrará a través de la primera capa de algunas pinturas de color claro.

LIMPIEZA: Use disolvente de pintura o alcoholes minerales.

ÚSELO EN SU ESTADO ORIGINAL - NO LO DILUYA

ALMACENAJE Y DESECHO - PROHIBICIONES: No contamine el agua, alimentos o forraje.

ELIMINACIÓN DEL PESTICIDA: Desperdicios que resulten del uso de este producto pueden desecharse en instalaciones de eliminación de desechos autorizada.

ELIMINACIÓN DE ENVASES: Recipientes de un cuarto/1 galón en Estados Unidos: No vuelva a usar los recipientes vacíos. Envuelva cuidadosamente el envase original con varias capas de periódico y tirelo a la basura.

GENERAL: Consulte a las autoridades federales, estatales o locales encargadas de la eliminación para que le indiquen procedimientos alternos aprobados.

NO ES FOTOQUÍMICAMENTE REACTIVA V.O.C. 350 g/L

JASCO TERMIN - 8
PRECAUTIONARY STATEMENTS AND HAZARDS
TO HUMANS AND DOMESTIC ANIMALS

WARNING! Causes substantial but temporary eye injury. Harmful or fatal if swallowed or absorbed through the skin. Do not get in eyes, on skin, or on clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before each reuse. Avoid breathing spray mist or vapors. Wear goggles or face shields and rubber gloves when handling TERMIN-8. DO NOT breathe vapors during brush, roll, spray, and dip applications. Wear a NIOSH/MSHA Approved respirator when spraying for continued use of this product, or for frequent use of this product.

Application of this product may produce strong, lingering, unpleasant odors.

FIRST AID

IF IN EYES:	Do not induce vomiting. CALL A DOCTOR.
IF ON SKIN:	Flush with water. Remove and wash contaminated clothing before reuse.
IF SWALLOWED:	Immediately flush with large quantity of water and get medical treatment.

HOTLINE NUMBER

In case of a medical emergency, for additional information, call Chemtrec toll free at 1-800-424-9300. Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment.

ENVIRONMENTAL HAZARDS - This product is toxic to fish. For terrestrial uses, do not apply directly to water, or to areas, where water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment or disposal of wastes.

PHYSICAL AND CHEMICAL HAZARDS - COMBUSTIBLE. Do not use or store near heat or open flame. Close container after each use.

DIRECTIONS: FOR EXTERIOR USE ONLY

It is a violation of Federal law to use this product in a manner inconsistent with this label.

DIP • SPRAY • BRUSH • ROLL

Paint, varnish, wax or other films and all bark must be removed before applying Termin-8. All unsound wood should be removed at least 2 feet beyond any visible evidence of decay to control termites, carpenter ants and powder-post beetles. Wood must be normally dry.

ABOVE-GROUND WOOD: Soak wood for at least 3 minutes for best results. If this is not possible, apply 2 coats by brush, roller or low-pressure spray. Cover all surfaces.

BELOW-GROUND WOOD: Soak wood for 12 to 24 hours covering 6 inches above ground level. If not possible, apply 2 heavy coats within 10 minutes of each other.

PRESSURE-TREATED WOOD: Apply a generous coat to exposed surfaces from cutting, sanding or boring pressure-treated wood.

COVERAGE: 100-300 square feet per gallon, depending on the porosity and surface roughness. 7 gallons per 1000 board feet for open-tank treatment.

PRIMER: Allow to completely dry to touch, 1-7 days, before finishing with paint or other coating material. Termin-8 will show through the first coat of some light colored paints.

CLEAN-UP: Use paint thinner or mineral spirits.

USE AS IS - DO NOT THIN.

STORAGE AND DISPOSAL - PROHIBITIONS: Do not contaminate water, food or feed by storage or disposal.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: U.S. Quart/1 Gallon containers: Do not reuse empty container. Securely wrap original container in several layers of newspaper and discard in trash.

GENERAL: Consult Federal, State or local disposal authorities for approved alternative procedures.
