

DIRECTIONS FOR USE

CAPTAN 300 is especially formulated for treatment of seeds for the control of seed and soilborne diseases, including damping-off and seed decay organisms, and seedling blights.

IMPORTANT

The Federal Government and most states have seed laws or regulations requiring an appropriate caution statement be affixed to bags containing treated seeds, such as:

Treated Seed

Do Not Use for Feed, Feed or Oil Purposes.

Mix thoroughly before use or use entire container at one time. Do not combine colloidal suspensions, wettable powder or emulsifiable concentrates unless previous experience assures compatibility. Store in a cool place. Do not store in direct sunlight. Protect from freezing temperatures.

This product is to be used in liquid or slurry treaters similar to Panomatic, Mist-O-Matic or Calkins.

The Federal Food and Drug Administration has set official tolerances for certain pesticide residues. In order that residues on food and forage crops will not exceed established tolerances, use only at recommended rates.

USE PRECAUTION

When using formulations that do not contain dye to comply with 21CFR Chapter 1, Section 2.25, all grain seed treated with an economic poison must be colored to distinguish and prevent subsequent inadvertent use as a food for man or feed for animals.

STORAGE AND DISPOSAL

- PROHIBITIONS**—Do not re-use empty containers. Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.
- PESTICIDE DISPOSAL**—Pesticide spray mixture or rinsate that cannot be used or chemically reprocessed should be disposed of according to procedures approved by federal, state or local disposal authorities.
- CONTAINER DISPOSAL**—Triple rinse (or equivalent) and dispose of in an approved landfill or bury in a safe place.
- GENERAL**—Consult federal, state or local disposal authorities for approved alternate procedures.

Gustafson

CAPTAN 300

ACTIVE INGREDIENT	
Captan N—(trichloromethylthio 4-cyclohexene 1,2-dicarboximide)	28.37%
RELATED DERIVATIVES	1.63%
INERT INGREDIENTS	70%
TOTAL	100%

CAUTION

KEEP OUT OF REACH OF CHILDREN

Harmful if swallowed. Avoid inhalation of dust. Wear respirator. Avoid contact with skin. Wash with soap and water after handling.

This product is toxic to fish. Keep out of lakes, streams, or ponds. Do not contaminate water. Clean up equipment and disposal of wastes. Apply this product only as specified on the label.

EPA Est. No. 07501-ID-01
EPA Reg. No. 7501-8-AA

NET CONTENTS: 50 LBS. (22.7 kg)

SEED — Application rates per 100 lbs. of seed of diluted product

Dilute 1 gallon with 5 gallons of water

CORN — Field	270cc
Sweet	570cc
WHEAT	270cc
OATS	420cc
BARLEY	320cc
RYE	530cc
PEAS	370cc
CUCUMBER, CANTALOUPE, TOMATO	420cc
SQUASH, PUMPKIN, WATERMELON and MUSKMELON	280cc
COTTON — Acid Drench	420cc
Magnesium	630cc
CABBAGE, CAULIFLOWER, BROCCOLI, BRUSSELS SPROUTS, COLLARDS, KALE, MUSTARD, TURNIP	210cc
PEPPERS, California Wonder	420cc
COWPEAS	420cc
RICE	480cc
RYE*	370cc

*For Seed and Seedling Rots, not for Bunt Smut

Dilute 1 gallon with 3 gallons of water

BEANS**	290cc
SOYBEANS	240cc
SORGHUM — Hybrid Kernel Smut	420cc
SUGAR BEETS — West	570cc
SPINACH	570cc

**Do not use on Lima Beans

Dilute 1 gallon with 2 gallons of water

CLOVER, ALFALFA, LESPEDEZA, TREFOLI	580cc
BEETS, SWISS CHARD, SUGAR BEETS — East	850cc
BLUE GRASS, GRASSES	580cc
