

DIRECTIONS FOR USE

CAPTAN 30-DD is especially formulated for treatment of seeds for the control of seed and soilborne diseases, including damping off and seed decay organisms, and seedling blights.

Mix thoroughly before use or use entire container at one time. Do not combine colloidal suspensions, wettable powder, or emulsifiable concentrates unless previous experience assures compatibility.

This product is to be used in liquid or slurry treaters such as Panomatic, Mistomatic or Calans.

The Federal Food and Drug Administration has set tolerance levels for certain pesticide residues. In order that residues on food and forage crops will not exceed established tolerances, use only at recommended rates.

STORAGE AND DISPOSAL

- STORAGE**—Store in a cool place. Do not store in direct sunlight. Protect from freezing temperatures.
- PROHIBITIONS**—Do not reuse empty containers. Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.
- PESTICIDE DISPOSAL**—Pesticide spray mixture or material that cannot be used or chemically reprocessed should be disposed of according to procedures approved by federal, state or local disposal authorities.
- CONTAINER DISPOSAL**—Triple rinse (or equivalent) and dispose of in an approved landfill or bury in a safe place.
- GENERAL**—Consult federal, state or local disposal authorities for approved alternate procedures.

Gustafson CAPTAN 30 - DD

ACTIVE INGREDIENT

Trifluoromethyl 2,6-dimethyl-4-pyridylcarbamate 90%

INERT INGREDIENTS

TOTAL 10%
