**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS  
CAUTION**

Avoid contact with skin. In case of skin contact, wash with soap and water. Do not breathe spray mist. Respirator is prohibited.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish, bees, and birds. Do not contaminate water by washing of equipment or disposal of wastes. This product is toxic to bees and should not be applied when they are actively visiting the site. Apply this product only as specified on the label.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.  
Read thoroughly before use or use under supervision of one doing so. Do not combine or apply sequentially, address peculiar or extraordinary circumstances unless previous or pertinent advice is available.  
This product is to be used in liquid or spray form.  
The Federal Food and Drug Administration has set official tolerances for certain pesticide residues in other raw materials on food and storage crops and has issued established tolerances for use only of recommended crop.  
Do not use treated seeds for food, feed or oil purposes.  
Avoid contamination of food and feedstuffs. Do not store with food. Do not store with food or storage to be fed to dairy animals or to animals being treated for slaughter.

**STORAGE AND DISPOSAL**

- STORAGE**—Store in a cool place. Do not store in direct sunlight. Protect from freezing temperatures.
- RESTRICTIONS**—Do not compound water, food or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty containers.
- PESTICIDE DISPOSAL**—Pesticide spray mixture or residue that cannot be used or chemically reprocessed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water bodies.
- CONTAINER DISPOSAL**—Triple rinse or equivalent and dispose of in an incinerator or landfill approved for pesticide containers or bury in a safe place.
- GENERAL**—Consult label for safe disposal authorized for approved alternative procedures such as limited open burning.
