

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
WARNING**

May be fatal if swallowed or absorbed through skin. Harmful if inhaled. Causes eye and skin irritation. Do not get in eyes, on skin or on clothing.

Avoid contamination of feed and foodstuffs. Do not store with food. Do not store with feed or forage to be fed in dairy animals or to animals being finished for slaughter.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Mix thoroughly before use or use entire container at one time. Gustafson Flowable Lindane 40% may be tank mixed with Vitavax - 200 Flowable Fungicide, Gustafson Vitavax-34 Seed Treatment, Gustafson's Captan 30-DD or Captan 300 or Gustafson 42-S Thiram Fungicide and Repellent at the respective labeled rate. All other tank mixes should be pre-tested to determine physical compatibility between formulations. Observe all cautions and limitations on labeling of all products used in mixtures.

This product is to be used in liquid or slurry treaters.

The Federal Food and Drug Administration has set official tolerances for certain pesticides residues. In order that residues on food and forage crops will not exceed established tolerances, use only at recommended rates.

Treated seed must not be used for or mixed with food or animal feed, or processed for oil. Seed commercially treated with Gustafson Flowable Lindane 40% must be labeled in accord with all applicable requirements of the Federal Seed Act.

STORAGE AND DISPOSAL

1. **STORAGE**-Store in a cool place. Do not store in direct sunlight. Protect from freezing temperatures.
2. **PROHIBITIONS**-Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Do not re-use empty container.
3. **PESTICIDE DISPOSAL**-Pesticide, spray mixture or rinsate that cannot be used or chemically reprocessed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies.
4. **CONTAINER DISPOSAL**-Triple rinse (or equivalent) and dispose in an incinerator or landfill approved for pesticide containers, or bury in a safe place.
5. **GENERAL**-Consult federal, state or local disposal authorities for approved alternative procedures such as limited open burning.

DIRECTIONS FOR USE (continued)

Gustafson Flowable Lindane 40% will protect seeds and seedlings against damage from wireworms and seed corn maggots.

Seed	Dosage Rate/100 lbs. of Seed	Seed	Dosage Rate/100 lbs. of Seed
Corn	4.0 fl. oz.	Barley	2.0 fl. oz.
Peas	2.0 fl. oz.	Sugar Beets, Beets	8.0 fl. oz.
Sorghum	1.0 fl. oz.	Beans	0.5 - 1.0 fl. oz.
Wheat, Rye, Oats	1.0 fl. oz.	Sunflowers	2.0 fl. oz.
Cucumbers, Watermelons, Canteloupes, Squash	3.6 fl. oz.	Cotton:	
Sudan Grass	0.8 fl. oz.	Acid Delinted or Reginned	4.0 fl. oz.
Cabbage, Cauliflower, Broccoli, Brussel	3.6 fl. oz.	Fuzzy - not delinted	4.5 fl. oz.
Sprouts	3.6 fl. oz.	Lentils	2.0 fl. oz.
Carrots, Onion	2.0 fl. oz.	Safflower	1.0 fl. oz.
		Radishes	1.0 fl. oz.

NOTE: The purchaser of this product is responsible for insuring that all seed treated with this product are adequately dyed with a suitable color to prevent its accidental use as food for man or feed for animals. Refer to 21CFR Part 2.25. Any dye added to treated seed must be cleared for use under 40CFR, Part 180.1001.

Labels for commercially treated seed should include the following addition to the Environmental Hazards statements:

Exposed treated seed may be hazardous to birds and other wildlife. Dispose of all excess treated seed and seed packaging by burial away from bodies of water.

WARRANTY STATEMENT

Gustafson warrants that the product conforms to the chemical description on the label and is reasonably fit for purposes stated on the label only when used in accordance with directions and instructions specified on the label. Gustafson neither makes, nor authorizes, any agent or representative to make any other warranty of FITNESS or MERCHANTABILITY, guarantee or representation, expressed or implied, concerning this material.

BEST DOCUMENT AVAILABLE

**PRECAUTIONARY STATEMENTS
RISKS TO HUMANS AND DOMESTIC ANIMALS
WARNING**

Do not breathe vapor, fumes, dust, or spray mist. Do not get on skin. Do not ingest.

Wash hands and water after handling and before eating or smoking. Clean clothing should be worn in synthetic rubber gloves and a pesticide respirator jointly approved by the Mining Safety and Health Administration (formerly the U. S. Bureau of Mines) and by the National Institute for Occupational Safety and Health under the provisions of 30 CFR Part 11.

The National Academy of Sciences has stated that there is sufficient data to show that these compounds are carcinogenic in humans, but because of certain mouse strains and the extensive similarity of the carcinogenic action of chlordane in humans, the committee concluded that chlordane, heptachlor, and/or their metabolites are carcinogenic in humans.

ENVIRONMENTAL HAZARDS
Toxic to fish and wildlife. Do not discharge into lakes, streams, ponds or public waters unless you have a National Pollution Discharge Elimination System Permit. For guidance contact your local Environmental Protection Agency.

DIRECTIONS FOR USE
Do not use this product in a manner inconsistent with its labeling. Consult the label for possible for determination of suitability of the use of this product for any specific pest control practice employed and adoption of such safety precautions as may be required.

STORAGE AND DISPOSAL
Do not store in water, food or feed by storage, disposal or cleaning of equipment. Open dumping is prohibited. Rinse or rinse water that cannot be used or chemically processed should be disposed of in a safe place away from water supplies.
SALES: Triple rinse and offer for recycling, reconditioning, or disposal in approved landfill.
REUSE: Reseal container and offer for reconditioning or disposal in an approved landfill, or bury in a safe place.
Consult local disposal authorities for approved alternatives.
