

WARNING
PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals
MAY BE FATAL IF SWALLOWED
CAUSES EYE IRRITATION

Do not take internally. Do not breathe dust. Do not get in eyes, on skin, or on clothing. Wear a NIOSH approved mask suitable for protection against inhalation of toxic dusts to prevent exposure during use. Wash thoroughly after handling and before eating or smoking. Remove and wash contaminated clothing before reuse.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Induce vomiting by giving two glasses of water and sticking finger down throat. Call a physician.

IF ON SKIN: In case of contact, immediately flush skin with plenty of water for at least 15 minutes while removing contaminated clothing. Call a physician.

IF IN EYES: Irrigate with flowing water immediately and continuously for 15 minutes. Call a physician.

IF INHALED: Remove to fresh air if effects occur. Call a physician or transport to medical facility.

NOTE TO PHYSICIAN: Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. Atropine only by injection is an antidote.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds, and wildlife. Do not apply directly to water. Treated seed exposed on soil surface may be hazardous to birds and other wildlife. Do not contaminate water by cleaning of equipment or disposal of wastes. Use this product only as specified on this label.

TRANSLATION TO THE USER: If you cannot read English, do not use this product until the label has been fully explained to you.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

General Information

Gustafson LORSBAN 50-SL insecticide is a wettable powder formulation designed for slurry treatment of seed prior to planting to protect the germinating seeds and seedlings against injury by seed-corn maggots. Gustafson LORSBAN 50-SL may be applied in combination with captan, chloroneb or thiram fungicides if protection of the seed from fungi, which may cause disease or rot, is also desired. Seed treated with Gustafson LORSBAN 50-SL may be stored for up to 14 months without loss of insecticidal effectiveness.

Use and Dosage Recommendations

Field Corn, Lima Beans, Snap Beans, Sweet Corn (For control of seed-corn maggots). Use 2 ounces of Gustafson LORSBAN 50-SL per 100 pounds of seed by applying to the seed as a slurry treatment prior to planting.

Slurry Treatment

Disperse the required amount of Gustafson LORSBAN 50-SL in a water solution containing 0.5% by weight of METHOCEL* A4C Premium methylcellulose or other acceptable sticking agent. Use 12 to 15 fluid ounces of solution for each 100 pounds of seed to be treated. Generally, rough surfaced seeds such as corn will require a greater volume of solution for complete coating.

than smooth surfaced seeds such as soybean. If this insecticide is used, it should be added to the seed in accordance with its label directions, using a rotating blender or other equipment that will ensure each seed is fully coated. **DO NOT MIX THE SEED AND INSECTICIDE BARE HANDS.**

Use Restriction

Do not use treated seed for human consumption for livestock or poultry, or for oil purposes. Seed as follows: **TREATED SEED IS NOT FOR FOOD, FEED, OR OIL.**

STORAGE AND DISPOSAL

Prohibitions: Do not contaminate water, food, or feed by storage or disposal. Do not reuse empty containers.

Pesticide Disposal: Pesticide, in its original container, that cannot be used and which is not otherwise disposed of in accordance with instructions must be disposed of in accordance with Federal, State or local regulations, or Resource Conservation and Recovery Act.

Container Disposal: Dispose of in accordance with approved Federal, State or local regulations, or the Resource Conservation and Recovery Act.

NOTICE - READ CAREFULLY LIMITED WARRANTY STATEMENT

Gustafson warrants that this product conforms to the description on the label and is reasonably fit for the use intended on the label only when used in accordance with the instructions specified on the label. Gustafson does not authorize any agent or representative to make any statement of FITNESS or MERCHANTABILITY guarantee, expressed or implied, concerning this product. Any breach by Gustafson of this limited warranty shall be liable for consequential damages.
