

WARNING

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals
MAY BE FATAL IF SWALLOWED
CAUSES EYE IRRITATION

Do not take internally. Do not breathe spray mist. Do not get in eyes, on skin, or on clothing. Wear a suitable respirator jointly approved by the Mining Enforcement and Safety Administration (formerly the U.S. Bureau of Mines) and by the National Institute for Occupational Safety and Health under the provisions of 30 CFR 8. Wash thoroughly after handling and before eating or smoking. Remove and wash contaminated clothing before reuse. In case of contact immediately flush eyes with plenty of water and get prompt medical attention if irritation develops or persists. Flush contaminated skin with soap and plenty of water.

NOTE TO PHYSICIAN: Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. Atropine by injection is antidote.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds and other wildlife. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling. Use thoroughly before use or use entire container at one time. Gustafson Lorsban 30 Flowable may be tank mixed with Gustafson Virus[®] 34 Band Treatment, Gustafson's Caplan 30-00 or Caplan 300, Gustafson Theron 30 Fungicide or Gustafson 42-S Theron Fungicide and Repellent at the respective labeled rate. All other tank mixes should be pre-tested to determine physical compatibility between formulations. Observe all cautions and limitations on labeling of all products used in mixtures.

STORAGE AND DISPOSAL

STORAGE: Store in a cool place. Do not store in direct sunlight. Protect from freezing temperatures.

PRECAUTIONS: Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

PESTICIDE DISPOSAL: Pesticide spray mixture or rinse water that cannot be used according to label instructions must be disposed of according to federal, state or local procedures.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or dispose of in a sanitary landfill, or by incineration if allowed by state and local authorities.

DIRECTIONS FOR USE (continued)

This product is to be used in field or spray treatments.

The Federal Food and Drug Administration has set official tolerances for OPPTS (Chlorpyrifos) residues in order that residues on food and forage crops will not exceed established tolerances, use only at recommended rates.

Treated seed must not be used for or mixed with feed of any kind or processed for oil. Seed commercially treated with Gustafson Lorsban 30 Flowable Fungicide labeled in accord with all applicable requirements of the Federal Seed Act.

Gustafson Lorsban 30 Flowable will protect germinating seeds and seedlings against injury by seed corn maggots and seed corn beetles. For seed treatment of field beans, green beans, kidney beans, lima beans, navy beans, snap beans, pinto beans, string beans, cow peas, field peas, garden peas, clover, and pumpkins, use 2.75 fluid ounces per hundredweight of seed. Apply to seed prior to planting or as to ensure thorough coverage.

NOTE: The purchaser of this product is responsible for ensuring that all seed treated with this product are adequately dried with a suitable color to prevent its accidental use as feed for man or food for animals. Refer to 29CFR, Part 2.25. Any dye added to treated seed must be cleared for use under 40CFR, Part 166.1001.

Labels for commercially treated seed should include the following addition to the Environmental Hazards statement:

Exposed treated seed only be hazardous to birds and other wildlife. Dispose of all excess treated seed and seed packaging by burial away from bodies of water.

LIMITED WARRANTY STATEMENT

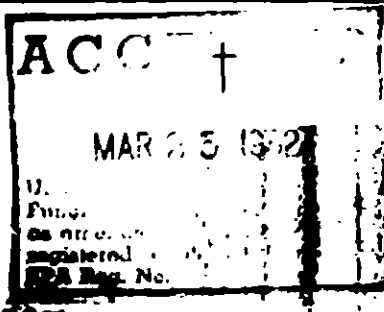

Gustafson warrants that the product conforms to the chemical description on the label and is reasonably fit for purposes stated on the label only when used in accordance with directions and instructions specified on the label. Gustafson neither makes, nor authorizes, any agent or representative to make any other warranty of FITNESS or MERCHANTABILITY, guarantee or representation, expressed or implied, concerning this material.
