Dear Mr. Rockwell:

Subject: Lindane RPAR
Gustafson Lindane 30C Flowable
EPA Reg. No.: 7501-34
Appl. Date: November 29, 1983

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable provided that you make the labeling changes listed below before you release the product for shipment bearing the amended labeling:

Insert the following as the last sentence in the "ENVIRONMENTAL HAZARDS" section:

"Do not contaminate water by cleaning of equipment or disposal of wastes."

Submit five (5) copies of your revised final printed labeling before you release the product for shipment with the amended labeling.

A stamped copy of the label is enclosed for your records.

If you hold a Federal registration, a supplemental registration, or a Special Local Needs registration, you may continue to produce new stocks of such products, using current labeling, until May 15, 1984. After that date, all remaining inventories of affected products will fall under the Existing Stocks provisions stated in our letter of October 28, 1983.

Sincerely yours,

George T. Larooca
Product Manager (15)
Insecticide-Rodenticide Branch
Registration Division (TS-767C)
