Gustafson LINDANE 30C FLOWABLE

KEEP OUT OF REACH OF CHILDREN WARNING - AVISO

Read the entire label carefully. Siempre lea detenidamente la etiqueta completa. Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted en detalle. (If you do not understand the label, find someone to explain it to you in detail.)

FIRST AID

- If swallowed: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.
- If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.
- If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
- If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Engineering Controls: Seed must be treated in a closed system that meets the requirements set in the Worker Protection Standard for agricultural pesticides (40 CFR, 155.119-155.124) for dermal protection. Workers must wear the personal protective equipment required above for handlers. The system, wear protective eyewear if the system operates under pressure. Have a spill kit and have immediately available for use in an emergency, such as equipment breakdown, the PPE specified for handlers. Do not use concentrates that are performing tests for which engineering controls are not feasible.

USER SAFETY RECOMMENDATIONS: Users should wash hands before eating, drinking, chewing gum, using the toilet. Users should wash thoroughly with soap and water. Users should remove PPE immediately after handling this product. Wash the inside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

ENVIRONMENTAL HAZARDS This product is toxic to fish, birds and wildlife. Exposed treated seeds may be hazardous to birds and other wildlife. Dispose of all excess treated seed by burial away from bodies of water. Do not contaminate water by disposing of equipment washwaters. Apply this product only as specified on the label.

DIRECTIONS FOR USE It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application. For any requirements specific to your State or Tribe, consult the agency responsible for pesticide regulation.

- STORAGE AND DISPOSAL**
1. **STORAGE** — Store in a cool place. Do not store in direct sunlight. Protect from freezing temperatures.
 2. **PROHIBITIONS** — Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container.
 3. **PESTICIDE DISPOSAL** — Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.
 4. **CONTAINER DISPOSAL** — Contact Gustafson or your chemical supplier for container return instructions. If container is not returned in accordance with instructions, triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

JAN - 3 2005
U.S. Gallons
Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 7501-34

NET CONTENTS:
©Gustafson (logo) is a Reg. TM of Gustafson. Vitavax is a Reg. TM of Crompton Manufacturing Company. Lindane Technical is a product of Romania. Lindane 30C is a product of the U.S.A.

NOTE: The purchaser of this product is responsible for ensuring that the product is adequately dyed with a suitable color to prevent use as feed for animals. Refer to 21 CFR, Part 2. The product is cleared for use under 40 CFR, Part 180.1001. Labels attached to this treated seed must read:

Persons handling treated seed must wear long-sleeved shirts, long pants, chemical-resistant gloves made out of any waterproof material, and shoes. Do not use or mix with food or animal feed or processed feed. Do not use treated seed as feed for birds and other wildlife. Dispose of excess treated seed and packaging by burial away from bodies of water.

Do not enter or allow worker entry into treated areas during the restricted entry interval (REI) of 24 hours. Exception: If the product is soil-injected or soil-incorporated, the Worker Protection Standard, under certain circumstances, allows workers to enter the treated areas without restriction if there will be no contact with anything that has been treated.

ROTATIONAL CROPS
A plant-back interval of 30 days should be observed for leafy vegetables and 12 months for all unregistered crops. Barley, wheat, oats, rye, corn and sorghum may be replanted immediately.

NOTICE—READ CAREFULLY CONDITIONS OF SALE AND LIMITED WARRANTY STATEMENT

Treatment of highly mechanically damaged seed, or seed of known low vigor and poor quality, may result in reduced germination and/or reduction of seed and seedling vigor. Treat and conduct germination tests on a small portion of seed before committing the total seed lot to a selected chemical treatment. Due to seed quality conditions beyond the control of Gustafson LLC, no claims are made to guarantee germination of carry-over seed.

As its sole express warranty, Gustafson LLC warrants that this product conforms to the chemical description on the label and is reasonably fit for purposes stated on the label only when used in accordance with directions and instructions specified on the label, subject to the inherent risks set forth above. ONLY AS PERMITTED BY APPLICABLE LAW, IN THE EVENT OF A BREACH OF THIS LIMITED WARRANTY, GUSTAFSON LLC SHALL NOT BE LIABLE FOR CONSEQUENTIAL DAMAGES. SUBJECT TO APPLICABLE LAW, GUSTAFSON LLC NEITHER MAKES NOR AUTHORIZES ANY OF ITS AGENTS OR REPRESENTATIVES TO MAKE ANY WARRANTY OF FITNESS OR MERCHANTABILITY, GUARANTY OR REPRESENTATION, EXPRESS OR IMPLIED, CONCERNING THIS MATERIAL. Buyer assumes the responsibility to handle, use and store this product in accordance with the safety instructions and use directions contained on the label.

Buyer/User purchases this product subject to the foregoing Conditions of Sale and Limited Warranty, which, subject to applicable law, may be varied only by a written agreement signed by a duly authorized representative of Gustafson LLC. If these terms are not acceptable, return all products to the place of purchase, unopened for a full refund.
