

Gustafson
CAPTAN LINDANE
12.5 - 25 SEED PROTECTANT

ACCEPTED

MAR 24 2003

Under the Federal Insecticide,
Fungicide, and Rodenticide Act,
as amended, for the pesticide
registered under
EPA Reg. No. 7501-38

Active Ingredients:

*Captan	12.23%
Related Derivatives.....	0.27%
**Lindane.....	25.00%
Inert Ingredients:	62.50%
Total	100.00%

* N-trichloromethylthio-4-cyclohexene-1,2-dicarboximide

**Gamma isomer of Benzene hexachloride

**KEEP OUT OF REACH OF CHILDREN
DANGER PELIGRO**

FIRST AID

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

If in eyes:

•Hold eye open and rinse slowly and gently with warm water for 15 - 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

•Call a poison control center or doctor for further treatment advice.

If swallowed:

•Call a poison control center or doctor immediately for treatment advice.

•Have person sip a glass of water if able to swallow.

•Do not induce vomiting unless told to do so by a poison control center or doctor.

•Do not give anything by mouth to an unconscious person.

If inhaled:

•Move person to fresh air.

•If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.

•Call a poison control center or doctor for treatment advice.

If on skin or clothing:

•Take off contaminated clothing.

•Rinse skin immediately with plenty of water for 15 - 20 minutes.

•Call a poison control center or doctor for treatment advice.

Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage.

STATEMENTS

EPA Reg. No. 7501-38 EPA Est.
NET CONTENTS:

PRECAUTIONARY STATEMENTS**Hazards to Humans and Domestic Animals****DANGER PELIGRO**

Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted en detalle. (If you do not understand the label, find someone to explain it to you in detail.)

Causes irreversible eye damage. Harmful if swallowed or inhaled. May cause allergic skin reactions. do not get in eyes.

PERSONAL PROTECTIVE EQUIPMENT:

Applicators and other handlers (other than mixers and loaders) must wear: long-sleeved shirt and long pants, waterproof gloves, shoes plus socks, protective eyewear and a NIOSH approved respirator with any N,R,P or HE filter. Mixers and loaders must wear: long-sleeved shirt and long pants, waterproof gloves, shoes plus socks, chemical resistant apron when mixing or loading, protective eyewear and a NIOSH approved respirator with any N,R, P or HE filter.

Follow manufacturer's instructions for cleaning/ maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

USER SAFETY RECOMMENDATIONS:

Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. For terrestrial uses, do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water by cleaning of equipment or disposal of wastes. In the event that treated seeds are spilled and cannot be salvaged, completely cover them with soil.

Gustafson 

STORAGE AND DISPOSAL

PROHIBITIONS: Do not contaminate water, food or feed by storage, disposal or cleaning of equipment. Open dumping is prohibited, do not reuse empty container.

STORAGE: Keep pesticide in original container, do not put concentrate or dilute into food or drink containers. Store in a cool, dry place. Protect from excessive heat. do not store or transport near feed for food.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Completely empty liner into application equipment. Then dispose of empty liner in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application. For any requirements specific to your State or Tribe, consult the agency responsible for pesticide regulation.

AGRICULTURAL USE REQUIREMENTS

Use this product only in accordance with its labeling and with the Worker Protection Standard, 40 CFR part 170. This Standard contains requirements for the protection of agricultural workers on farms, forests, nurseries, and greenhouses, and handlers of agricultural pesticides. It contains requirements for training, decontamination, notification, and emergency assistance. It also contains specific instructions and exceptions pertaining to the statements on this label about personal protective equipment (PPE), and restricted-entry interval. The requirements in this box only apply to uses of this product that are covered by the Worker Protection Standard. Do not enter or allow worker entry into treated areas during the restricted entry interval (REI) of 48 hours. Exception: if the product is soil-injected or soil-incorporated, the Worker Protection Standard, under certain circumstances, allows workers to enter the treated area if there will be no contact with anything that has been treated. PPE required for early entry to treated areas that is permitted under the Worker Protection Standard and that involves contact with anything that has been treated, such as plants, soil, or water, is: coveralls, waterproof gloves, shoes plus socks and protective eyewear.

Gustafson Captan Lindane 12.5-25 Seed Protectant is a dust based agricultural insecticide and fungicide especially formulated to help lubricate the planter box and assure smooth, even seed flow to the furrow. Gustafson Captan Lindane 12.5-25 Seed Protectant is formulated for use in the treatment of seeds for protection against wireworms, seed corn maggots and certain other soilborne insects, as well as providing fungicidal protection at planting time. Where Seedling Blight, Damping-Off or seed decay is severe, supplement this product with an EPA approved systemic protectant fungicide such as Vitavax® 200 Flowable Fungicide.

SEED TREATMENT DOSAGE RATES

TYPE OF SEED	OUNCES PER 100 POUNDS
Barley	4
Corn	4
Oats	4
Sorghum	4
Wheat, Rye	2

If soil temperature is extremely high (hot weather, midsummer planting or other reasons) reduce recommended dosage by one-half. Avoid lengthy storage of treated seed to prevent loss of Lindane.

Apply as a drill box treatment, mixing thoroughly with the seed before planting. For best results, the following procedure is suggested. Fill drill box only half full of seed, add half the required amount of Gustafson Captan Lindane 12.5-25 Seed Protectant and mix thoroughly with a stick. Then add remainder of seed to drill box and add the rest of the required amount of product to the seed, again mixing thoroughly.

Good results are also obtained by premixing seed with the product in suitable container then pouring treated seed into drill box.

NOTICE - READ CAREFULLY CONDITIONS OF SALE AND LIMITED WARRANTY STATEMENT

Treatment of highly mechanically damaged seed, or seed of known low vigor and poor quality, may result in reduced germination and/or reduction of seed and seedling vigor. Treat and conduct germination tests on a small portion of seed before committing the total seed lot to a selected chemical treatment. Due to seed quality conditions beyond the control of Gustafson LLC no claims are made to guarantee germination of carry-over seed.

As its sole express warranty, Gustafson LLC warrants that this product conforms to the chemical description on the label and is reasonably fit for purposes stated on the label only when used in accordance with directions and instructions specified on the label, subject to the inherent risks set forth above. ONLY AS PERMITTED BY APPLICABLE LAW, IN THE EVENT OF A BREACH OF THIS LIMITED WARRANTY, GUSTAFSON LLC SHALL NOT BE LIABLE FOR CONSEQUENTIAL DAMAGES. SUBJECT TO APPLICABLE LAW, GUSTAFSON LLC NEITHER MAKES NOR AUTHORIZES ANY OF ITS AGENTS OR REPRESENTATIVES TO MAKE ANY WARRANTY OF FITNESS OR MERCHANTABILITY, GUARANTY OR REPRESENTATION, EXPRESS OR IMPLIED, CONCERNING THIS MATERIAL. Buyer assumes the responsibility to handle, use and store this product in accordance with the safety instructions and use directions contained on the label.

Buyer/User purchases this product subject to the foregoing Conditions of Sale and Limited Warranty, which, subject to applicable law, may be varied only by a written agreement signed by a duly authorized representative of Gustafson LLC. If these terms are not acceptable, return all products to the place of purchase, unopened for a full refund.
