

ORM-E

NO HAZARDOUS SUBSTANCE, LIQUID, N.O.S. NA9189 (CAPTAN)

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS & DOMESTIC ANIMALS  
DANGER**

Causes irreversible eye damage. Harmful if swallowed or inhaled. May cause allergic skin reactions. Do not get in eyes. Wear goggles or face shield when handling. Avoid contact with skin and clothing. Remove and separately launder clothing before reuse.

**ENVIRONMENTAL HAZARDS**

This pesticide is toxic to fish. Do not contaminate water by cleaning of equipment or disposal of wastes. In the event that treated seeds are spilled and cannot be salvaged, completely cover them with soil.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Evershield acts to bind the active ingredient firmly to the seed in a dustfree, water permeable film that dries quickly without the need of additional heat. Improves seed appearance and eliminates buildup in planter plates. It is designed for the protection of the seed from soil borne fungi which can cause seed, seedling and root rots.

**USE PRECAUTION**

Wear goggles or face shield when handling. Wash thoroughly with soap and water after handling. Remove contaminated clothing and separately launder clothing before reuse. Mixers/loaders when mixing and loading this product must wear a long sleeved shirt and long pants or coveralls that covers all parts of the body except the head, hands and feet. Wear chemical resistant gloves, goggles or a face shield and a chemically resistant apron. Fieldworkers and harvesters must wear chemical resistant gloves. Leather or fabric gloves are not acceptable.

**AFTER WORK:** Take off all clothes and shoes. Shower using soap and water. Do not wear contaminated clothing. Wash protective clothing and equipment with soap and water after each use. Personal clothing worn during use must be laundered separately from household articles. Clothing and protective equipment heavily contaminated or drenched with captan must be destroyed according to state and local regulations.

**STORAGE AND DISPOSAL**

**PROHIBITIONS:** Do not contaminate water, food or feed by storage, disposal or cleaning of equipment. Open dumping is prohibited. Do not reuse empty containers.

**STORAGE:** Store in a cool, dry location. Do not store in direct hot sunlight. After prolonged storage in intense cold, allow product to return to approximately 25°F before using.

**PESTICIDE DISPOSAL:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**CONTAINER DISPOSAL:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

**EVERSHIELD**   
CAPTAN SEED PROTECTANT

**ACTIVE INGREDIENTS:**

\*Captan ..... 28.70%

Related derivatives ..... 0.65%

**INERT INGREDIENTS: 70.65%**

**TOTAL ..... 100.00%**

\*N-trichloromethylthio-4-cyclohexene-1,2-dicarboximide  
Contains 3 lbs. Captan and related derivatives per U.S. gallon at 68°F.

**KEEP OUT OF REACH OF CHILDREN  
DANGER**

**STATEMENT OF PRACTICAL TREATMENT**

**If in eyes:** Flush with plenty of water. Get a physician. **If swallowed:** Duck promptly a large quantity of milk, egg whites, gelatin products, or if these are not available, drink large quantities of water. Avoid alcohol. If inhaled: Remove victim to fresh air. If not breathing give artificial respiration, preferably mouth-to-mouth. Get medical attention. **If on skin:** Wash with plenty of soap and water. Get medical attention if abnormal reaction occurs.

See side panel for additional precautionary statements.

EPA Reg. No. 7501-77

**CONTENTS: U.S. 5 Gallons**

Gustafson Co and Evershield are Reg. TMs of Gustafson, Inc.

**DIRECTIONS FOR USE**

1 lb. = 1 million of 1000000 to 1 of the product in a mixed formulation with a diluting treated seed must not be used for further formulation or to amend seed. Bags containing treated seed should be marked **TREATED SEED - DO NOT USE FOR FEED FOOD OR OIL PURPOSES**. Products designed for the protection of seed from soil borne fungi causing seed rotting and root rot. Store in a cool dry place. Apply with commercial seed treating equipment such as a rotary tumbler. **FIFCA Chapter 1 Section 313 requires that seed treated with persistent substances in excess of registered tolerances be suitably marked to prevent their subsequent distribution and use as seed for plant or animal consumption.** See GUSTAFSON PMS-1122 Dye for the Evershield quality and use for or containing 12 minutes.

**Fl. Oz. Evershield C Per 100 lbs. Seed**

SEED	RANGE
Alfalfa clover lespedeza trefoil	6.5 F. 02-1100 lbs
Beans (hard) dry cowpeas	2.7 F. 02-1100 lbs
Beans (soft)	9.6 F. 02-1100 lbs
Cereals (for seed and seedling use - not for bulk grain)	
Barley mix	1.8 F. 02-1100 lbs
Oats	2.3 F. 02-1100 lbs
Wheat	1.5 F. 02-1100 lbs
Cole crops (Broccoli, Brussels Sprouts, Cabbage, Cauliflower)	1.2 F. 02-1100 lbs
Corn - Field	1.5 F. 02-1100 lbs
Seed	3.2 F. 02-1100 lbs
Cotton	
Acid sensitive	2.3 F. 02-1100 lbs
Regimec Kuzin	3.5 F. 02-1100 lbs
Cucurbit-Cantaloupe	2.3 F. 02-1100 lbs
Cucurbit-Muskmelon, Radish, Rape, Turnips	1.2 F. 02-1100 lbs
Fus	3.0 F. 02-1100 lbs
Grasses	6.5 F. 02-1100 lbs
Trigo	5.4 F. 02-1100 lbs
Peanuts	4.1 F. 02-1100 lbs
Peas - Lentils	2.1 F. 02-1100 lbs
Peppers	2.3 F. 02-1100 lbs
Sorghum (noted for some show)	3.5 F. 02-1100 lbs
Soybeans	2.0 F. 02-1100 lbs
Soybean	4.8 F. 02-1100 lbs
Squash, Pumpkin, Watermelon, Mustmelon	1.6 F. 02-1100 lbs
Sugar Beets - West	4.8 F. 02-1100 lbs
Sugar Beets - East	9.6 F. 02-1100 lbs
Sunflowers	2.7 F. 02-1100 lbs
Swiss Chard	9.6 F. 02-1100 lbs

**NOTICE - READ CAREFULLY  
LIMITED WARRANTY STATEMENT**

Treatment of highly mechanical, damaged seed or seed of known low vigor and poor germination, except for the purpose of certain control of emerging disease or insect pests, may result in reduced germination and/or reduction of seed and seedling vigor. Treat and conduct germination tests on a small portion of seed before committing the total seed lot to a selected planting program. Due to seed quality conditions beyond the control of Gustafson, Inc. no claims are made to guarantee germination of every seed.

Gustafson warrants that the product conforms to the chemical description on the label and is, insofar as it is known, fit for purposes stated on the label only when used in accordance with directions and instructions specified on the label. Gustafson neither makes nor assumes any legal or representative liability for any other warranty of FITNESS OR MERCHANTABILITY, guarantee or representation expressed or implied concerning the material, in the event of any breach of this limited warranty. Gustafson shall not be liable for consequential damages.
