WARNING**

**STATEMENT OF PRACTICAL TREATMENT**

This product is a seed protectant. It is used to protect seeds from insect and mite damage. It is applied to seeds before planting.

EPA Reg. No. 7501-78  
EPA Est. No. 4896-AR-00  
NET CONTENTS: 55 U.S. GALS.  
Gustafson Co.

**DIRECTIONS FOR USE**

In accordance with Federal Law, use this product in a manner inconsistent with its labeling.

Apply Gustafson RTU-PCNB/Lindane with a suitable seed treating equipment at rates shown below.

Seed should be stored well cured and cleaned prior to treatment. Use only the recommended rates of product per 100 pounds of seed.

Planting Seeds	Application Rates per 100 pounds of seed	Seeding Disease Complex
Wheat	4.0 fl. oz. (118 cc)	Common smut or bunt and damping off caused by Rhizoctonia
Barley	8.0 fl. oz. (237 cc)	Covered smut

Gustafson RTU-PCNB/Lindane will also protect seeds and seedlings from wireworms and seedling diseases.

At the recommended rates, apply Gustafson RTU-PCNB/Lindane undiluted directly to the drum of the seed. If desired, add one part water to five parts Gustafson RTU-PCNB/Lindane and use a suitable equipment at the recommended rates. Do not exceed 50% water. Do not mix with other materials. Keep off of plants and animals.

Treated seed should be stored in a cool, dry place. Do not feed or use treated seed in the same way as untreated seed. Treated seed must be stored in a separate container. Do not use treated seed for animal feed. Do not use treated seed for human consumption. Do not use treated seed for seedling production. Do not use treated seed for seedling production.

**MIX CONTENTS THOROUGHLY BEFORE USE**

**NOTICE — READ CAREFULLY  
LIMITED WARRANTY STATEMENT**

This product is warranted to be free from insect and mite damage. It is not warranted to be free from other causes of seed damage. The warranty is limited to the product and does not cover the seed or the seedling. The warranty is void if the product is used in a manner inconsistent with its labeling.

Attention: Jerome C. Rockwell

Gentlemen:

Subject: Amendment - Comply with Lindane Intent to Cancel  
Gustafson RTU-PCNB/Lindane Seed Protectant  
EPA Registration No. 7501-78  
Applications Dated November 29, 1983 and January 16, 1984

This acceptance is for the labeling submitted January 16. The November 29, 1983, labeling bears the old registration number and thus was not reviewed.

If you hold a Federal registration, a supplemental registration, or a Special Local Needs registration, you may continue to produce new stocks of such products, using current labeling, until *June 29* 1984. After that date, all remaining inventories of affected products will fall under the Existing Stocks provisions stated in our letter of October 28, 1983.

Sincerely yours,

George T. LaRocca  
Product Manager (15)  
Insecticide-Rodenticide Branch  
Registration Division (TS-767)
