

DIRECTIONS

Do Not Wet Disks

For use in barber and beauty shop cabinets. Use two Aldeform Disks for each cu. ft. of cabinet space. Expose in small open dry dish on shelf and close door. If moist air desired, place a separate open dish of water in cabinet. Always keep cabinet door closed overnight.

EPA Reg. No. 7504-3
U P S X

ALDEFORM BACTERIOSTATIC DISKS

Active Ingredient: Paraformaldehyde 7%

Inert Ingredients: Calcium Stearate

This bottle Contains 50 Aldeform Disks of approximately 2 grams each. Net Weight: 3.52 oz.

DANGER POISON

Keep out of the reach of children

ANTIDOTE - Give a tablespoonful of salt in a glass of warm water and repeat until vomit fluid is clear. Give milk or white of egg beaten with water. Call PHYSICIAN at Once.

DANGER Harmful or fatal if swallowed. CAUSES IRRITATION OF SKIN, EYES, NOSE AND THROAT. Do not use near water. Use with adequate ventilation.

Avoid contact with skin. In case of contact, flush with plenty of water. For eyes, get medical attention.

Rinse empty container thoroughly with water and discard it.

KEEP CAP ON THIS JAR

When exposed to air in an air tight cabinet Aldeform Disks eventually liberate all the formaldehyde gas they contain. When this occurs replace with fresh Disks.
